

Ike Asks for Early Boost in Gasoline Tax

Seeks Revision of Wheat Program, More Loan Powers

Washington —(AP)— President Eisenhower called today for quick congressional action boosting the gasoline tax, revising the costly wheat support and control program, and providing additional home loan insurance authority.

The president told his news conference a special message urging the 3-way speedup would go to the capital today.

Need for Revenue
The country's rising prosperity will be damaged, Eisenhower said, if the federal housing administration's program is allowed to lapse for lack of the \$6 billion additional insuring authority he asked in January.

More thousands of men will be jobless, the president went on, unless new revenues are provided to keep the massive highway building program going.

He noted that the existing highway bill permits no more construction in any year than the funds available will pay for in that year.

Costs now are outrunning the income from highway-user taxes, and Eisenhower has requested that the federal gasoline levy be boosted from 3 to 4 cents. Congress has seemed little disposed to comply. Some legislators have indicated they would prefer to meet the costs for a time from general revenues.

Problem Grows
Eisenhower, committed to a balanced budget in fiscal 1960, ignored the later possibility in his news conference remarks, and emphatically renewed his appeal that the budget be brought into balance.

As for the wheat surplus Turn to Page 3, Col. 1

2 Girls Die As Boys Fire Playhouse

Chicago —(AP)— Two girls perished last night after a group of boys, as a prank, set fire to a makeshift playhouse in a vacant lot and trapped them in the fiery shanty.

Fire officials said the girls, Deana Feht, 13, and Margaret Roelle, 12, schoolmates, apparently suffocated as the boys tried frantically to reach them.

A playmate, Richard Boyle, 14, who had been trapped inside the shanty with the girls, escaped with the help of his brother, Dennis, 16. Young Boyle's eyebrows were singed and his clothing scorched.

Police said the fire was "set deliberately but without malice" by the boys after the girls and young Boyle entered the shanty which the boys called the "fort." It is located in the 4300 block of W. Bryn Mawr avenue on the city's northwest side.

Blocked Door
Young Boyle said Deana and Margaret wanted to see the fort and he went in with them to show them around. He said about a dozen boys then blocked the door by piling heavy objects against it.

Then they set fire to fragments of foam rubber which they tossed inside the shanty "to stink it up."

He told Earl Downes, fire attorney, as the smoke swept into the fort, he ripped the hinges off the door but couldn't get it open.

"I climbed up to where there was a window about three feet wide. One of the girls was with me. My brother, Dennis, climbed on top of the fort and pulled me out."

"The others were trying to get the door open. I tried to pull the girl out the window, but the smoke was so thick I couldn't see anything. Then the whole fort just burst into flames."

2 Capital Airlines Planes Crash Less Than Hour Apart

The Smoking Remains of a Capital Airlines plane plunged while landing at Charleston, W. Va.

Blast Shatters Viscount Turboprop, Killing 31; 2 Dead in Second Tragedy

Baltimore —(AP)— A Capital Viscount turboprop airliner, flying non-stop from New York to Atlanta, exploded in storm-swept skies over Maryland late yesterday, spraying wreckage and the bodies of 27 passengers and 4 crewmen over a 2-mile area.

Civil aeronautics board investigators, probing through the twisted fragments, said at noon today that the plane was blown apart by a forceful explosion. But speculation whether the explosion was inside the fuselage or outside, possibly in a wing, would be "premature," they said.

Less than an hour before, another Capital airliner, a 4-engine Constellation, plunged over a 200-foot embankment, at the Charleston, W. Va., airport and burst into flames, killing two persons and injuring at least six.

The Constellation crashed at Charleston at 4:26 p.m. The Viscount tore apart at 5:18 while flying at about 14,000 feet over a patchwork of small farms about 15 miles east of Baltimore.

Weather may have been a factor in both cases. A thunder squall was sweeping across Maryland when the Viscount came through. Apparently the turbulence was causing rough riding.

No Witnesses
No one saw the plane the instant it disintegrated with a fiery flash—the sky was covered with low-scudding rain clouds. Aviation engineers and others speculated that a sudden, violent downdraft or updraft tore off part of a wing, rupturing a fuel line which spewed gasoline into an engine. The gas apparently ignited with a roar, tearing the plane to pieces.

The Viscount is powered by four turbojet engines. A turbojet consists of a jet engine which turns a propeller shaft and a conventional propeller.

At the controls was Capt. W. C. Paddock of Detroit, who had been flying with Capital since 1930 and had no accidents on his record.

It was the third plane tragedy. Turn to Page 3, Col. 2

R. A. Uihlein, Sr., Succumbs at 76
Milwaukee —(AP)— Robert A. Uihlein, Sr., vice president and secretary of the Joseph Schlitz Brewing company, died today at St. Joseph's hospital. He was 76 years old and a grandnephew of August Krug, founder of the far-flung brewing empire.

Wisconsin Native Among Crash Dead
Washington —(AP)— A native of Wisconsin was a crewman on the Capital Airlines Viscount plane that exploded in flight near Baltimore Tuesday.

Among the dead was Flight Engineer M. J. Flayhaven, 28, a native of Baraboo, Wis. Flayhaven joined the airline April 18, 1955. Flayhaven, a graduate of Macalester college of St. Paul, Minn., made his home in Dearborn, Mich.

There were no Wisconsin people among the passengers, and none aboard the Capital plane that crashed at Charleston, W. Va., with 44 persons aboard. Two persons were killed and six injured.

Cool Clouds Carry Cold Climate Condition
Wisconsin — Cloudy, windy and continued colder tonight with rain in some portions. Thursday continued cool, but not quite so windy.

Appleton — Temperatures for the 24-hour period ending at 9 a.m.: High, 74; low, 48. Temperature at 9 a.m., 47. Northwest wind at 10 miles per hour. Dewpoint, 29.91 inches.

Unions Driving to Revamp Labor Bill

Mine Workers, AFL-CIO Speak Against Senate-Passed Measure; Lobbyists Active in Washington

Washington — Labor unions, through breakfasts for congressmen and other forms of lobbying, are mounting a growing drive to revamp sharply or kill the senate-passed labor regulation bill.

John L. Lewis, the veteran United Mine Workers union president, was due to register his opposition today before a house labor subcommittee, now considering the bill.

The 70-year old Lewis repeatedly has counseled against any new labor anti-corruption legislation. He says the problem is an internal one for unions to solve and, anyway, there are plenty of laws

against embezzlement to curb union frauds if the laws are enforced.

Switch in Sentiment

Meanwhile the AFL-CIO, which supported the original senate bill before amendments were added in the senate, indicated a switch in sentiment. The AFL-CIO executive council is to meet here next week to go over the senate-passed version section by section.

But George Meany, the AFL-CIO's president, hinted at federation opposition in a speech yesterday to the plasterers' union. Meany spoke of the Kennedy-Ervin bill as passed by the senate as "an active threat against the trade union movement."

The bill bears the names of Sens. John F. Kennedy (D-Mass) and Sam J. Ervin Jr. (D-NC).

Meany hinted at AFL-CIO political retaliation by remarking in the same context that labor figured it elected a liberal congress last fall but now "it seems we haven't changed the complexion of congress enough."

We'll Do Better

"So while we did better (politically) in 1958," Meany said, "I haven't the slightest doubt we'll do still better come 1960. Our efficiency goes up year by year."

James R. Hoffa's Teamsters union came out with a broadside against the senate bill while union members were quietly breakfasting groups of congressmen in efforts to get the bill trimmed down.

"There's no secret about it," a Teamsters spokesman said. "Most congressmen have been contacted by our representatives. It's just normal lobbying procedure."

Actor Submits To Observation

San Francisco — Night-club comedian Jonathan Winters is in San Francisco general hospital for observation.

He was found wandering on the waterfront Tuesday, apparently dazed, and consented when harbor police suggested they take him to the hospital.

Winters has been appearing at the Hungry I for a reported \$4,500 a week. He was in his second week.

Winters, 33, was a regular for a time on NBC's Comedy Hour.

On one of George Gobel's TV shows Winters, as the special guest, did a musical comedy and played all the parts. He specializes in weird sound effects—many of them taught him by his mother, Mrs. Alice Bohman, when she worked for a Springfield, Ohio, radio station.

Winters pinch-hit for Jack Paar on the "Tonight" show for two weeks last year.

Repossess Tires Of Bus Company

Beloit — When day was done Tuesday, so apparently was the Beloit Bus company.

The firm's 74 tires were repossessed by the General Tire and Rubber company of Akron, Ohio and stripped from company's nine buses by representatives of a local General agency. The repossession was authorized by papers served by Undersheriff Miles Sweeney.

George Garrigan, attorney for line owner L. Douglas Gale, said the repossession means the line probably will go out of business, leaving Beloit's 30,000 residents without public transportation. Gale has been a patient in a Madison hospital for a week.

The attorney said the tires were repossessed because the firm was "a little late" in making its latest payment on the tires. Garrigan said the late payment was returned by General with a demand that the bus line settle in full its bill for \$2,000.

And that isn't all. During the night thieves broke into the garage and stole six of the tires.

Panama Tells Castro to Mind His Tongue

Declare Remarks Won't Help Cause Of 86 Invaders

Panama — Panama's government has told Cuban Prime Minister Fidel Castro to watch his tongue if he has hopes of getting back 86 Cubans who invaded Panama in an abortive attempt to start a revolution.

Foreign Minister Miguel Moreno, Jr., yesterday rejected a request for repatriation of the Cubans made by Cuban Under Secretary of State Eric Aguiar.

Moreno told Aguiar that the possibilities of repatriation were not helped by Castro's criticisms of President Ernesto de La Guardia's government for getting the help of the Organization of American States (OAS) against the invaders.

Moreno reminded Aguiar that the invaders surrendered unconditionally and are subject now to Panamanian justice.

Body Found

The invaders said they were recruited by opponents of de La Guardia.

The body of the lone Cuban who was listed as still at large was found yesterday on a jungle trail near the Caribbean port of Portobelo. Authorities said he had a bullet wound in the head and apparently had shot himself.

A serious split developed in the de La Guardia administration, meanwhile, with even two members of the president's own family — a nephew and a brother-in-law — falling out with him politically.

The nephew, Samuel Lewis Galindo, and the brother-in-law, comptroller-general Inocencio Galindo, were members of the Panama City council ousted yesterday by order of Dist. Atty. Gerardo de Leon.

Thor Rocket Streaks Over Atlantic Range

Cape Canaveral, Fla. — A Thor intermediate range ballistic missile, reportedly carrying a tiny camera in its nose, has streaked 1,500 miles over the Atlantic on what the air force called a highly successful flight test.

Thirty-nine minutes after the blastoff yesterday a small data capsule that popped out of the nose cone near the end of the trip was recovered from the ocean depths.

An official defense department announcement on the recovery operation made no mention of the camera, but informed sources said it was housed inside the capsule.

King Baudouin Charms Capital High Society

Washington — Baudouin, Belgium's smiling young king, is charming the stuff of Washington's high society.

Last night he wowed a staid state dinner by paying a surprise compliment to his host, Vice President Nixon.

Rising with champagne glass in hand, the 28-year-old monarch with no advance warning called on the orchestra to play "California Here I Come."

Compliment To Nixon

The 118 guests at the Pan American Union building smiled and applauded as Baudouin, in his almost faultless English, explained he meant it as a compliment to Nixon, a "famous son of this great state."

Nixon, in turn, praised the king's speech a few hours earlier to a joint session of congress.

"I can say," said Nixon, country tour.

Gov. Gaylord Nelson Used Indian headdresses Tuesday to crown Tom Borgen of Fond du Lac and Karen Bigley, Madison, king and queen of the 1959 Wisconsin congress of school safety patrols. The congress convenes May 21 at Wisconsin Dells.

8th District GOP Reelects Manitowoc Man as Chairman

Mrs. Rose Schroeder Reseated; Plan Expansion of Party Affairs

Post-Crescent News Service

Green Bay — Eighth district Republicans Tuesday night reelected W. E. Mac

Mrs. Rose Schroeder

Eachran, of Manitowoc, as district chairman and approved a plan to expand the role of the district-level organization in party affairs.

Meeting for their annual spring caucus at the Hotel Northland, more than 150 district Republicans adopted a plan to create an executive committee to aid the chairman in coordination of county and district affairs. The committee will be named by Mac Eachran and it will be composed of county chairmen and representatives of young Republican and GOP women organizations.

Mac Eachran said the committee would meet every two months, except during campaigns when meetings would be monthly, and that the sessions would be held in every county of the Eighth district.

Appleton Woman

Aside from the reelection of Mrs. Rose Schroeder, Appleton, as district vice chairman and the routine approval of district members for state convention committees, the caucus recorded a parade of speakers delivering pep talks and telling that things were looking better for state Republicans.

At the suggestion of State Sen. Gerald Lorge, Bear Creek, the caucus agreed to a showing of hands to express

opinions on Gov. Gaylord Nelson's withholding system for state income taxes. Much of the session earlier had been used for blasting away at withholding.

Sen. Leo O'Brien, Green Bay, told the Republicans the GOP majority in the senate had taken "a blood oath, like these juvenile delinquents do, to fight this withholding tax to the death."

Sen. Reuben La Fave, Oconto, added to the promises by saying he would "fight against the Catlin act repealer to my last breath."

Catlin Speaks

Mark Catlin, former assembly speaker from Appleton, said he would be in Madison next week for a senate hearing on the Catlin act repeal. Things were going to be different from an assembly hearing at which he was allowed 10 minutes after advocates of the repealer had talked for an hour and a half, he promised.

Catlin described Nelson as a governor who still is not over his surprise at winning election last fall.

"If Gaylord Nelson earns himself no other title during his brief term of office it will be that he was the most surprised governor who ever took office in January of an odd-numbered year," Catlin said.

Other Speakers

Other speakers included Claude Jasper, state party chairman, and Mrs. Marian Fox, national committeewoman.

Eighth district members for committees at the June 6 state GOP convention at the veterans memorial arena will be:

Resolutions, Gus Zuelke, Appleton, and Mrs. Suzanne Stearn, Sturgeon Bay; rules, Joseph Kennedy, Manitowoc, and Mrs. Al Murray, Green Bay; credentials, Angus Beat-Hawke, 22, of Tolden, Oconto, and Mrs. Jerry Janabek, Algoma; and permanent organization, Glen Garlock, Argonne, and Mrs. Henry Godshalle, Jr., Marinette.

problem, the president said it is worsening instead of improving. The government will have \$24 billion invested in surplus wheat by mid-year, he said, and action must be taken speedily to revise the program.

President Eisenhower also said the Soviet Union seems to be pushing a propaganda drive in seeking admittance of red satellite nations to the Geneva foreign ministers conference.

Eisenhower said he is very hopeful the Russians will abandon any such propaganda tactics so the conference can get down to fruitful negotiations.

Eisenhower had been asked to evaluate the Soviet efforts thus far to win seats at Geneva for communist East Germany, Poland and Czechoslovakia. Those efforts have kept the foreign ministers' conference from getting to discussion of real problems.

Eisenhower replied it is very difficult to find out what is going on behind someone else's forehead.

Ready to Talk

The U. S. government, he continued, has always been for fruitful negotiations, and against using such conferences as propaganda platforms.

But the situation in Geneva, Eisenhower said, seems to have propaganda in it.

The president discussed these other matters:

No one has contacted him, he said, regarding the possibility of a visit by Soviet Premier Nikita Khrushchev to the United States.

A reporter noted that Vice President Nixon will visit Moscow this summer to open a U. S. trade fair. The newsman asked whether the president would be favorable to the idea of Khrushchev's coming to this country to open the Soviet fair to be held in New York later this year. The re-

WAKE UP RARIN' TO GO

Without Nagging Backache

Now you get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains; 2. by soothing effect on bladder irritation; 3. by mild diuretic action tending to increase output of the 16 miles of kidney tubes. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. Now, large size gives money. Get Doan's Pills today!

man Deward Simmons.

2 Capital Airliners Crash an Hour Apart

CONTINUED FROM PAGE 1

edy involving Viscounts in a little more than a year. Last April a Capital Viscount crashed at Midland, Mich., killing 47. A month later an air national guard jet trainer collided in flight with another Capital Viscount over Brunswick, Md., killing 12.

The freshly plowed fields were being combed by scores of CAB investigators and other

officials for clues as to what actually happened. Neither Capital nor the CAB would comment as to the probable cause.

A Capital official in Washington did say, however, that while there was no indication at this time of a bomb explosion aboard, the possibility would be checked out. Both Capital and CAB officials added that "we are investigating everything."

The last ground contact with the Viscount was over West Chester, Pa., a regular check point. It was then at its assigned level—14,000 feet. The next check point was at Winchester, Md., 17 minutes later. It never made it.

The four engines were found within radius of a few hundred yards. One propeller was missing.

The largest piece of wreckage was a portion of the fuselage. Some fragments were charred, others were not. None of the bodies appeared to have burned, although several were charred.

It took more than three hours for droves of police and volunteers to collect the bodies. The last found was a stewardess, buried under one of the sections that fell.

A Catholic priest gave last rites toward a section of fuselage as the searchers worked, figuring there were bodies under it. There were.

Seventy-year-old Walter Bevans had just been driven from the yard to the porch of his home by the late afternoon thundershower.

"I started inside the house," he said, "and then I saw this terrible light and smoke. I saw this man lying in the field. I ran back into the house and told my daughter-in-law to call for ambulances."

"I saw one big piece of the plane burning in the air, and there was smoke coming from two other parts which sort of drifted off and away."

"It was a terrible thing."

Not far away, a group of youngsters were playing ball. Suddenly debris and bodies began falling all around them. They ran for home—and cover.

At Charleston, W. V., rain was still falling slightly when the big constellation, powered by four conventional piston-driven propellers, came in for a landing at the airport, built by slicing off the top of a hill overlooking the city.

The plan Miss Marshall seemed to turn before it slowed down, witnesses said, and it tumbled off the brink of the hill. Then it burst into flames.

A 20-year-old stewardess, Nancy Marshall, was credited with getting many passengers out of the flaming wreckage. She forced open a door after several passengers had been unable to push it open.

"It's not a door that swings out," she explained. "It's a sliding door. All I did was roll it back."

er officials for clues as to what actually happened. Neither Capital nor the CAB would comment as to the probable cause.

A Capital official in Washington did say, however, that while there was no indication at this time of a bomb explosion aboard, the possibility would be checked out. Both Capital and CAB officials added that "we are investigating everything."

The last ground contact with the Viscount was over West Chester, Pa., a regular check point. It was then at its assigned level—14,000 feet. The next check point was at Winchester, Md., 17 minutes later. It never made it.

The four engines were found within radius of a few hundred yards. One propeller was missing.

The largest piece of wreckage was a portion of the fuselage. Some fragments were charred, others were not. None of the bodies appeared to have burned, although several were charred.

It took more than three hours for droves of police and volunteers to collect the bodies. The last found was a stewardess, buried under one of the sections that fell.

A Catholic priest gave last rites toward a section of fuselage as the searchers worked, figuring there were bodies under it. There were.

Seventy-year-old Walter Bevans had just been driven from the yard to the porch of his home by the late afternoon thundershower.

"I started inside the house," he said, "and then I saw this terrible light and smoke. I saw this man lying in the field. I ran back into the house and told my daughter-in-law to call for ambulances."

"I saw one big piece of the plane burning in the air, and there was smoke coming from two other parts which sort of drifted off and away."

"It was a terrible thing."

Not far away, a group of youngsters were playing ball. Suddenly debris and bodies began falling all around them. They ran for home—and cover.

Firm Submits Revised Master Plan Proposal

CONTINUED FROM PAGE 1

Major changes in the proposal are the same as reported by Dussynski after the meeting.

Major Changes

Major changes are:
Base maps (regional, city, village and town); local staff.

Research and surveys: The local staff will gather data on the history, character of development, population, economic base. Metropolitan will assemble the final research and survey report.

Land utilization analysis: Existing land use and information, sanitary sewer, water supply and storm sewer information, local staff, with analysis by Metropolitan; preliminary regional land use plan, Metropolitan, and final land utilization report, local staff directed by Metropolitan.

Single Ordinance

Land utilization plans and ordinances: Metropolitan to prepare single model ordinance based as much as possible on existing ordinances.

Traffic and transportation: Local staff will summarize state highway department and other traffic surveys of the region, make spot check traffic surveys and prepare map of the principal existing streets showing right-of-way widths. Both units will cooperate in preparation of a major street and thoroughfare system plan. Metropolitan will draw up proposals for lo-

cation and development of truck-draft terminals and data on air transportation and effect of the St. Lawrence seaway on the Fox valley.

As-So

Public facilities and buildings: Local staff will gather data on present conditions and future needs. Metropolitan will draw up the report.

Local comprehensive development plan: Local information supplied to Metropolitan for a final report.

Long range capital improvement program: Dropped from the plan. Some communities want it, others don't. Those that do could have the work done by Metropolitan at their own expense.

Final comprehensive plan report: Drawn by Metropolitan with printing done locally.

Wood said Metropolitan's new proposal will be discussed by the commission's public works committee at a meeting in Neenah, May 28, and will be submitted to the executive committee early in June. The commission as a whole will take action after the executive committee meeting.

High Rate of Infant Deaths in New York Alarms Officials

New York —A sharp rise—6 per cent—in the death rate among newborn babies has alarmed the city health department.

All nurses and doctors have been asked to help check on the causes. The winter influenza epidemic and a large number of premature births are blamed for the increase, but the department is not satisfied this is the whole story. Investigators will look into the possibility that drug-resisting

Driverless Tractor Kills One Man, Crashes Into Auto

Bennington, Idaho —A driverless tractor circled about on a highway yesterday, killing one man, injuring another, and crashing into a utility pole and an automobile.

Killed was Samuel Hall, 70, of Bennington.

Deputy Sheriff B. C. Wilks said Hall was driving the tractor alongside the highway about two miles north of Bennington. The tractor hit a badger hole and Hall was thrown off.

Officers said the driverless farm-machine made a complete circle and ran over Hall. Four men in a passing auto stopped. Two went to help Hall and the other two tried to stop the tractor. The circling vehicle hit and slightly injured one of the men helping Hall. Then it sheared off a utility pole and crashed into an auto.

Only then did it stop—its front wheels broken off.

Alcohol Commission Proposal Gets Support

Madison —A measure calling for creation of a governor's commission on alcoholism got a boost Tuesday when a legislative committee recommended its passage.

The proposal, introduced by Assemblyman George Belting, R-Beloit, received a 6-3 vote of approval from the assembly public welfare committee following a public hearing.

staphylococcal infections also killed some babies.

So far this year among 55,537 births, 1,613 babies died, two-thirds of them less than a month old. This is a rate of 29.1 per thousand, compared to 26.4 for 1958.

Wednesday, May 13, 1959 Appleton Post-Crescent 4

Relief Clients Collect Heavy Surplus Loads

Cleveland —A nearly 800 relief clients collected surplus food here yesterday, and nearly all failed to anticipate how heavy a load they would carry away.

Single persons found themselves eligible for 22 pounds of commodities, and mothers and fathers of large families were bogged down with as much as the maximum of 87 pounds.

Many had to phone friends with cars or pool funds to hire taxicabs. The distribution centers are not handy to bus routes. Also, many of the first-day recipients were disabled persons.

This was the first distribution of surplus food here since the depression days of the early 1930s. The purpose is to help the relief dollar stretch over more family needs. Labor unions have encouraged the idea.

Given out were all-purpose flour, rice, corn meal, milk and fresh brick butter.

Magnetic Storm Kicked Up by Explosion on Sun

Sacramento Peak Observatory, N. M. —An explosion on the sun, described as one of the strongest radio flares ever recorded, kicked up a magnetic storm in the earth's atmosphere.

Now it is dying out. Astronomers say they expect the last of it soon, along with the last of accompanying radio trouble.

Harry Ramsey, chief observer at this mountain top observatory in south-central New Mexico, said, "The solar

School Boards Fight Bill to Grant Tenure To Non-Rural Teachers

Madison —The Wisconsin Association of School Boards Tuesday was the only opponent to a pair of senate bills which would grant tenure to non-rural teachers.

The measures, sponsored by Sen. Carl Lauri, D-Superior, would require local boards to grant tenure after three years on the job. They differed mainly on the number of teachers involved.

Teacher tenure now is optional in the state, except in Milwaukee county where it is mandatory.

George Tippler, representing the school boards, told the senate education committee the bills would "remove the personal challenge from the teaching profession."

Japan Settles Debt With South Viet Nam

Saigon, South Viet Nam —Japan today settled her war debt with South Viet Nam for \$55,600,000.

Japanese Foreign Minister Aichiro Fujiyama and Viet Nam Foreign Minister Vu Van Mau signed the reparations agreement, which communist North Viet Nam has denounced as illegal.

Both ministers said the pact would pave the way for closer relations between their countries.

Viet Nam is the last country to receive reparations from Japan.

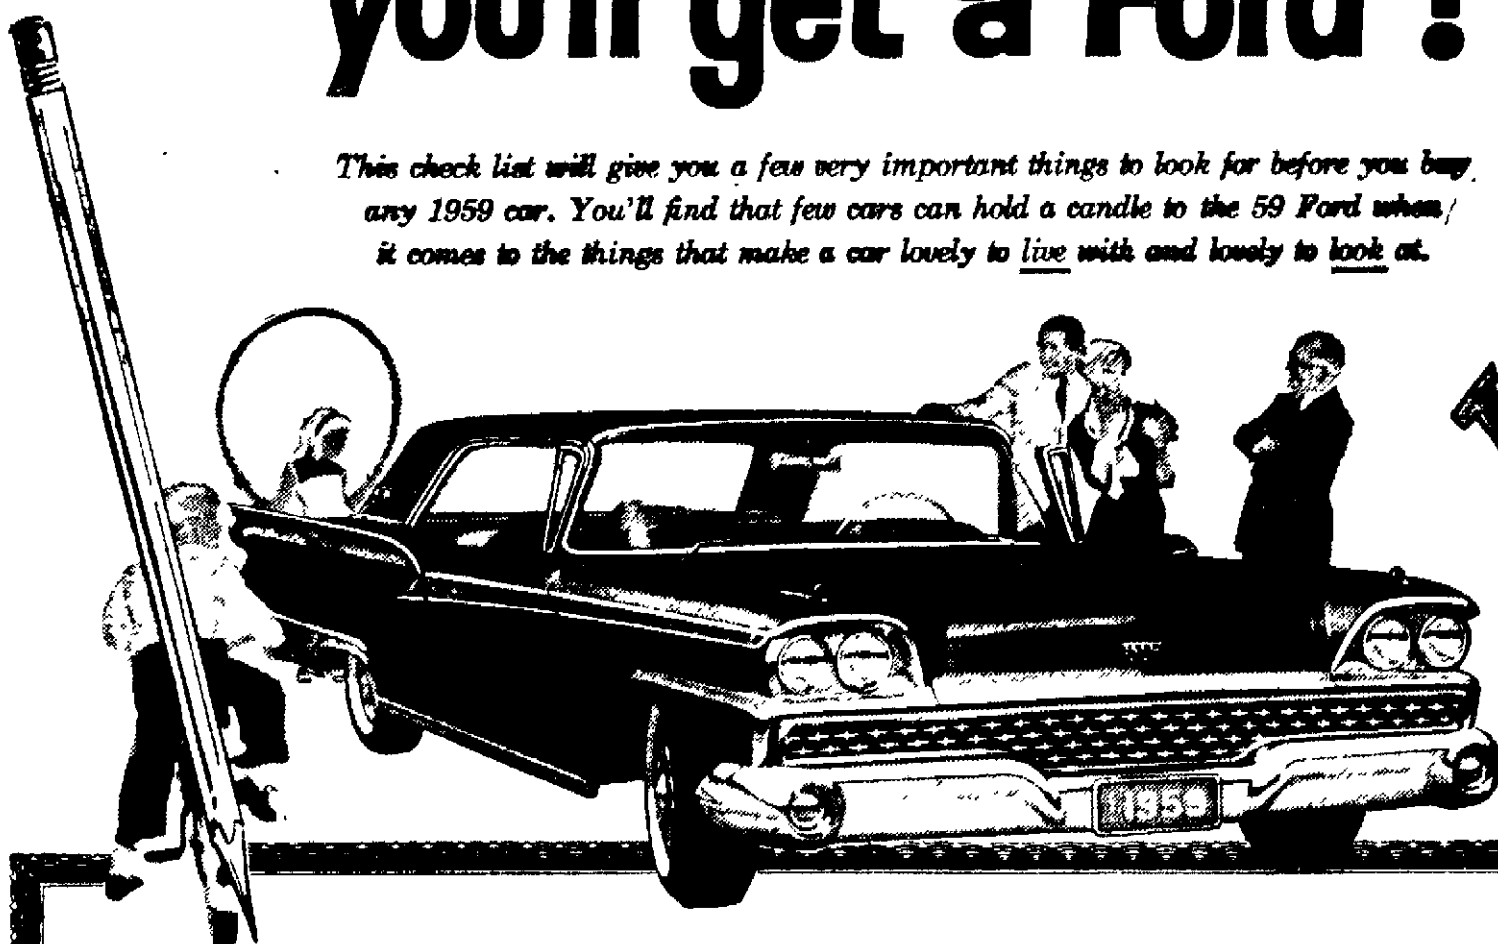

flame was about 100,000 miles in length and 50,000 miles wide."

Ramsey said the sun spot grew to 10 to 20 times the brightness of the rest of the sun and lasted from mid-afternoon through sunset.

Take this page with you when you go to look over the '59 cars . . .

If you get the FACTS you'll get a Ford!

This check list will give you a few very important things to look for before you buy any 1959 car. You'll find that few cars can hold a candle to the '59 Ford when it comes to the things that make a car lovely to live with and lovely to look at.

CHECK THE

DIVIDENDS

ALREADY PAID IN

AMERICA'S NO. 1

DIVIDEND CAR

FORD

- Does it have sufficient insulation? (Check by rapping knuckles on the headlining) YES FORD
- Does it have full-depth springing in center of rear seat? (Bounce to prove) YES FORD
- Are the door openings extra wide for easy entry? (Ford's rear door openings are over 5 inches wider than chief competitor) YES FORD
- Is the driveshaft tunnel low enough to let center passenger be comfortable? YES FORD
- Are feet of rear passengers cramped into deep well? NO FORD
- Are headlights high enough for sufficient protection and best illumination? YES FORD
- Are front seats high enough to keep you comfortable on long trips? YES FORD
- Is there sufficient rear seat knee room? YES FORD
- Do front seats have foam padding in model you're considering? YES FORD
- Do you get 2-stage front door checks for greater convenience? YES FORD
- Do instrument-panel controls have illuminated identification? YES FORD

- Does ride adjust itself to varying road and load conditions automatically? YES FORD
- Do you get variable-speed windshield wipers? YES FORD
- Does increased glass area mean increased heat and glare? NO FORD
- Is the luggage compartment easy to get at? YES FORD
- Does the car have a convenient front-hinged hood? YES FORD
- Does the car you're considering use regular gas with standard engine (thereby saving up to \$1.00 a tankful)? YES FORD
- Is the car you're looking at the lowest-priced car of its type among the full-size cars? YES FORD
- Does the car you're considering give you, at no extra cost, a Full-Flow oil filter so you need change oil only each 4000 miles? YES FORD
- Is the muffler on the car streamlined to last twice as long as conventional mufflers? YES FORD
- Do you get a true no-short, no-distortion battery clamping system? YES FORD

- Are accessory prices Ford-low? YES FORD
- Can body finish be cleaned without harm, with regular car-finish cleaners? (New Diamond Lustré Finish never needs wax) YES FORD
- Does the car's engine have long-lasting free-turning valves? YES FORD
- Does the car you're looking at offer a truly modern six (vs. 36-year-old design)? YES FORD
- Is grille anodized aluminum, that won't corrode? YES FORD
- Does the frame sweep out at sides to protect all passengers? (Ask the dealer if he'll show you the car on a lift) YES FORD
- Does the roof have at least 5 cross braces? (Many have only 3) YES FORD
- Does the car have a 3-spoke deep-dish steering wheel that protects your chest from possible injury? YES FORD
- Are the front seats anchored to the frame (vs. to body floor)? YES FORD

BUILT FOR PEOPLE...BUILT FOR YOU...59 FORDS—THE WORLD'S MOST BEAUTIFULLY PERFORMING CARS

Dairy Price Economics

Dairy price supports were set up by congress primarily to protect the dairy farmer. However, things are no bad now that Sec. Benson appears to be as much concerned with protecting the federal treasury as he is about the farmer's pocket-book. At least Rep. Melvin R. Laird, (R. Wis.) says the secretary was so much impressed with the probable cost to Uncle Sam of a reduction in dairy price support that he agreed to let the support stand at the current level for the present.

Because of a change during the past year in the parity index, Benson might have reduced the price support per 100 pounds of milk going into manufactured dairy products from \$3.06 to \$2.96. It would seem that such a reduction of 10 cents a pound would save money for the government but that is not so.

Rep. Laird pointed out that if the price support level should be reduced to \$2.96 for milk the current support level for cheese would drop one cent a pound from 32 1/2 cents. In anticipation of this reduction in the price of cheese, Laird estimated that 250 million pounds of cheese would be offered to the Commodity Credit Corporation to prevent that one cent per pound loss. To buy up this cheese the CCC would have to spend about \$80,000,000 and then it would be stuck with it. Under the law it could not be sold back for commercial use without charging a 15 per cent premium. The farmers who rush to sell the cheese

to save a cent a pound would scarcely be interested in buying it back at a premium of almost 5 cents a pound. Therefore, the only other means of getting rid of the surplus would be to sell it at the world price of 21 cents a pound. Such a sale would mean the loss of about \$27,000,000.

The secretary also took notice of the fact that during the past year the Commodity Credit Corporation had purchased only 32 million pounds of cheese in its price support operations. Since that was less than enough to take care of the school lunch program the department has no problem in disposing of it. Thus it appears it is to the financial advantage of the agricultural department to maintain the dairy prices at their present price support level. It also is believed to be to the advantage of the dairy farmer to have this higher price support although that may be open to question.

If the higher price support encourages greater production the government will soon be back in the same old business of piling up surpluses. And since the lower price support is not to have a chance to operate we never will know whether it would have tended to reduce surplus production and started the farmer on his way to a free market which was Mr. Benson's goal. It is regrettable that the dairy farmers and the secretary did not have the courage to drop the price support crutch when they had arrived at a point where it was no longer needed.

Joint Tax Returns in Wisconsin

Robert W. Dean, Democratic state senator from Rothschild, has offered a bill in the Wisconsin legislature to permit husbands and wives to file joint state income tax returns.

There is a supreme court ruling that Wisconsin cannot force husbands and wives to file jointly and perhaps because of this there is no provision in the Wisconsin law for such returns. Officers of the State Tax department point out there is not much demand for joint filing because a lower tax usually results if husband and wife file separate returns. However, Sen. Dean has a point when he suggests that joint filing might be convenient and cheap where the wife has a very small income.

The Wisconsin law provides that everyone must file income tax returns whose gross income is \$600 or more but it adds that a married person with any net income

must file a return if the net income of husband and wife is \$1,400 or more. Thus a husband or wife with a net income of less than \$50 would be obliged to file a separate income tax return and pay 20 cents tax. Or were the net income between 50 cents and \$100 the tax would be only 70 cents, according to the Wisconsin tax table.

The law is a silly one and we strongly suspect that many husbands and wives do file joint tax returns and report the higher amount even though it is not allowed by statute. As the regulations now stand they are a nuisance to a great many honest people who try to comply with the most minute regulations where income tax matters are concerned and they should be corrected. Sen. Dean's bill would be helpful in that regard but we think it would be much wiser if the trifling amounts of tax were eliminated and the law was made to read "anyone with an income of \$600 or more."

Highway Markings

The American motorist, planning a trip to almost any point in the United States can, if he wishes, pick up highway maps to make his route clear at no cost to himself. He may want to have a route prepared by some travel organization to insure the shortest, best route so that he will not overlook any interesting scenery. But the latter service, while valuable, is not necessary. The highway marking system which has grown up with the automobile, the maps gasoline companies furnish free of charge, and the supplements which can be picked up at any state or local travel bureau are things the motorist takes as a matter of course.

This service was not always available. In the early days of the motoring age there were no numbered highways and it was almost impossible to give a stranger directions for any great distance.

Darrell Vincent, writing in the Wisconsin Motor News, has an interesting quotation from a tour book of 1911. In giving directions to motor from Madison to Chicago the tour book said, "Set your mileage at .0 at Main and King street, the east corner of Capitol Square, follow trolley tracks down hill across railroad onto Williamson street where trolley leads to right (.0.5

miles), keep straight ahead meeting trolley again (.1.2 miles), the thoroughfare becoming Winnebago street which follows with the trolley across railroad (.1.6) turn right with trolley crossing at 2.2 miles. At 2.6 miles is an irregular four corner brick saloon on left where trolley leads to left, bear right running down grade."

The quotation above has carried the motorist a total of 5.9 miles on his way from Madison to Chicago. Thus it is easy to see that the motorist is going to have almost as much reading as driving to do on the way. If he should chance to overlook the school house or red barn mentioned in the directions he might be lost and be days getting back to pick up the trail again.

Further, of course, it should be remembered that the highways were narrow, they were muddy and built for horses and wagons and the method of meeting was for one farmer to pull out into the ditch and wait for the other fellow to pass and this practice was necessary for the motorist also.

The highways today are certainly a big improvement over those of 1911 and all indications are that the highways of the future will be almost as much of an improvement.

Watch Out, Copernicus!

Mathematics is usually pointed to as the one exact science, at least on the elementary level. Solutions are either right or wrong with no room for modifications or hedgings. But now it appears that even mathematicians are fallible.

Three college math professors have proved that a conjecture dealing with squares and groups and outlined one hundred and seventy-seven years ago just isn't

so after all. Actually the discovery may not surprise other mathematicians since some of them have been puzzled by the theory and have been trying to work out a solution for the last 50 years.

It's rather nice to know that here is another frontier open to the enterprising student. But from now on a lot of ordinary pupils, baffled by calculus, square root or just plain long division will be out to prove that the other guy is wrong.

What Others are Saying

Politics, Medicine Should be Separate

From The Madison Capital Times

The warning we sounded repeatedly to the medical politicians in those days is back to haunt them now in the Wisconsin legislature. The medical lobby is running into some serious trouble with the Democratic majority in the assembly.

The bill to allow industrial accident cases to be treated by chiropractors, for example, is receiving strong support from Democratic legislators.

The unfortunate part of it all is that there seems to be a disposition on the part of some Democratic legislators to make up their minds on some of this legislation, not on the merits of the legislation, but on the basis of political reprisal.

We can well understand and sympathize with many of those legislators who have had to face remorseless opposition from the medical politicians regardless of the

merits of their records and their qualification for office.

We have no intention here to plead the case of the medical profession. It is very much in need of getting its compeance.

But we remind the members of the legislature that good legislation is not made in the spirit of political revenge and that the public interest, as well as that of the medical profession, is at stake.

Legislation should be judged on how it will affect the public, not on how it will affect the medical profession.

Champaign, Ill. — A false fire alarm sent pupils at Wiley school scurrying in the rain. They got wet outside, then went inside to get dry.

'We Don't Want to Lose Our Touch'

What Others are Saying

Government Control of U. S. Economy Bed of Quicksand

From The Daily Oklahoman

Government control of production, manufacture, trade and prices is a bed of quicksand. On the surface it may appear to be a safe and convenient means of arriving at a desired destination but appearances are deceiving in this case. Often the bog only becomes worse with floundering. It may eventually swallow up the whole effort in complete government control, as has happened in many countries.

Most people will concede that during time of war or other national emergency price controls may be necessary. Yet we need only to look at the record of the late but unlamented NRA, the famous "Blue Eagle" national recovery act, or the OPA (Office of Price Administration) or the OPS (Office of Price Stabilization) to observe the ridiculous extremes to which government bureaucrats must go to make their "systems" work.

The writing of OPS directives became such a monumental task that a word was coined to describe them — gobbledygook. One famous item was a many-paged order concerning the price of cabbage seed. Another was a dairy pricing system which had the floor price of cheese three or four cents above the ceiling price at the basing point in Wisconsin.

An OPS order on meats diagrammed beef carcass to be carved in such a way that it would fit the pricing tables and established zones so that ox tails which were permitted to be sold for 36 cents a pound in certain areas, brought 37 cents in others and 38 cents elsewhere.

But those things occurred in time of war. All that is over, it might be contended. True, but the government holds powerful controls over the pricing of many commodities even today. The most publicized examples probably are those relating to farm products which have the benefit of government price supports. Because the prices are established at a rate to maintain production in quantities greater than the market will absorb, much wheat, cotton, corn, peanuts and tobacco find its way into government ownership. With these supplies stacked away, the government price support level automatically becomes the

market base and generally only very nominal variations from it occur.

This government control of pricing is not limited to supported commodities, however. There are 76 milksheds in the United States that are under federal milk marketing orders. This affects perhaps 90 per cent of the milk sold in the United States. The government doesn't actually buy or sell the milk, but it supervises the pricing and grading in such a way that the net effect is about the same. Similar marketing orders are being set up for vegetables and probably will follow with other commodities in time.

Government price and rate control extends into many phases of our lives. There are minimum wage laws that affect millions of working people. Nearly all public utilities have their rates set by government edict. Rail fares and the baffling maze of freight rates are regulated by both state and federal governments. Airlines are subsidized by the government so that rates can be kept at certain levels. The number of examples which might be cited is almost endless.

Yet congress is presently

holding hearings on another bill that would extend government price control into a different area. Sen. KeFauver of Tennessee is the author of a bill that would forbid a merchant to reduce a price to one customer unless he gave the same reduction to all customers. It hasn't been adopted yet, of course, but if it does become a law, it will be another severe blow to free trade and competitive initiative.

Can Openers, Modern Device, Stop Raw Effort

From The St. Louis Post-Dispatch

Once mankind learned to preserve foods, we suppose, a relentless chain reaction was begun. Preserving led to canning in jars, then to canning in cans, and on to frozen foods and TV dinners. For years now the essential household tool has been the can-opener, but even here raw effort was required. And so we come to the inevitable climax: "Now, open cans with a touch of your finger."

This advertised miracle is performed by push-buttoned, non-tipping, fast-gripping

Looking Backward

A. C. McComb Eloquent Speaker

79 YEARS AGO

Quoted from the Appleton Crescent for the week of May 15, 1880.

Outagamie County has its Sloan and its Kennedy and other excellent speakers. Now another Outagamie boy, a native of Hortonville comes to the fore.

A public meeting was recently held at Grand Rapids, Wood county, by the Temple of Honor and the Tribune contains this paragraph in notice thereof:

"The next speaker was Mr. A. C. McComb, who occupied about half an hour in delivering one of the most eloquent and appealing arguments our citizens have ever listened to. It is one that must have required great study and careful thought. It was delivered in truly oratorical style and had a good effect."

25 YEARS AGO

Wednesday, May 9, 1934

Nearly 1,000 greenhouse window panes were broken in Appleton during the unusual hailstorm that started about midnight Tuesday. The hailstones, some as large as golf balls, fell almost vertically and windows in other buildings escaped damage.

A. T. Gardner of the Combined Locks Paper company was elected chairman of the Technical association of Pulp and Paper Industry, Lake States section.

Mrs. M. R. Laird of Marshfield was elected president and Mrs. A. J. Hancock, Waupaca, was elected secretary of the seventh district of Women's clubs, meeting at Waupaca.

C. C. Baker of All Saints Episcopal parish was elected one of the delegates to the general convention of the Episcopal church to be held in Atlantic City next October.

Gerald Herzfeldt was elected president of St. Paul Senior Young People's society. He succeeded Wilmer Stach who was elected vice president, member-at-large.

10 YEARS AGO

Wednesday, May 11, 1949

Mell H. Buxton was elected president of the Roosevelt Junior High School Parent-Teacher association. Other new officers were Maurice Lewis, first vice president, Wilmer Rehbein, second vice president, Mrs. Jean Curtis, secretary, Ralph Davis, treasurer, and Mrs. Homer Malmstrom, member-at-large.

Four new members were introduced at the meeting

Under the Capital Dome

Taxes, Not Loans, Big Concern of Business

BY JOHN WYNGAARD

Madison — The Maier program for financial subsidies to business, in the way of a state credit program, was defeated in the state senate a few days ago, apparently to the surprise and chagrin of its author.

in state government terms. Foremost among the elements of that climate he would talk about taxation — if completely frank. Surely those businessmen of my acquaintance never tire of talking about it and the record of their representations on the subject is replete with complaints during the last decade. He might mention fair labor legislation, and common sense business regulation too.

THE PROSPECT

But while Sen. Maier was eloquently defending his foredoomed measure for business subsidies, these things were going on elsewhere in the capitol:

Democratic allies in organized labor were demanding, with a fair chance of success, the total revision of a labor relations code that has stood for 20 years.

Democratic assemblymen were preparing to push, confident of success, new benefits in unemployment compensation that would increase the payroll taxes of most employers and bring hundreds of smaller businessmen within its controls for the first time.

Senators were preparing to push through passage a railroad crew act that is universally recognized for what it is — an obvious piece of feather-bedding.

Assemblymen were whooping through a roll call that will open union political treasuries for political campaign purposes, and contribute to an even stronger pro-labor bias in state legislation and administration. And every member of the legislature was privately worried, but fatalistic, about a tax increase bill that will in all likelihood increase the contrast between the Wisconsin "climate" for business and that of other tax jurisdictions including some in close proximity.

Pilots Should Stay in Seats During Flight

From The Chicago Tribune

Collisions and near collisions in the air have rightly had much attention of recent years, though too little and too late. One of the best suggestions yet is that just made by James T. Pyle, deputy director of the federal aviation agency. His safety idea requires no new machinery or installations costs nothing, and is sure to help. It is simple that the crew of a plane in the air stay in their seats except when their duties require them to move.

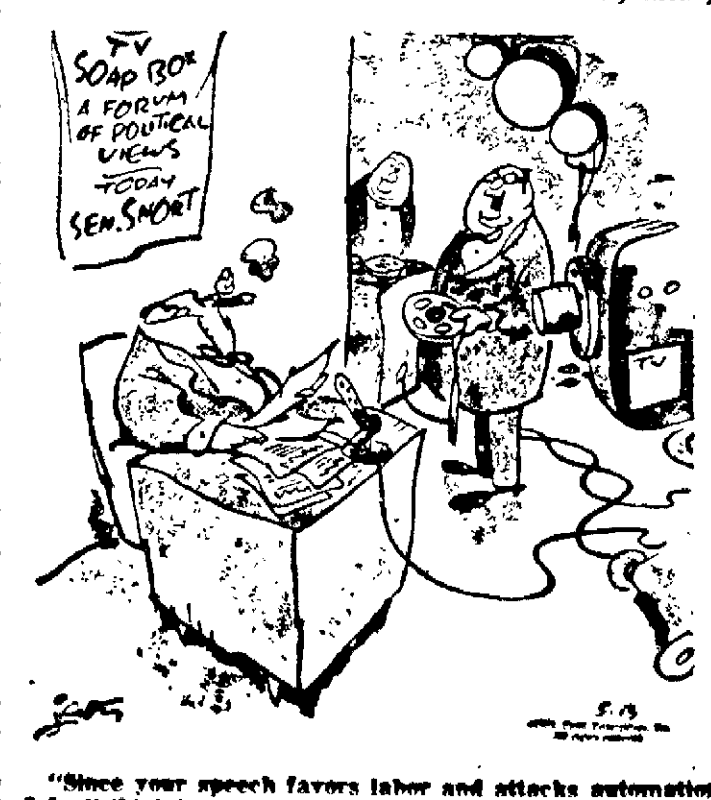

Civil air regulations call for that practice now, but the rule is not strictly observed. "We have found upon investigation of many near-misses" Pyle said, "that the captain was in the cabin talking to the passengers while the co-pilot was attempting to catch up on his paper work."

The assumption that a moving plane does not constantly require hands on the controls and eyes on the space ahead would be justified only if there were no other planes in the sky. As Pyle says, "Laxity by crew members, or inattention to duty, cannot be tolerated under today's traffic density."

With air traffic getting more dense all the time, government officials, airline executives, and airplane captains should unite in requiring every member of a flying crew to be at his station, with seat belt fastened, at all times when there is no good reason for his being elsewhere. The social visiting should be continued to before take-off and after landing.

By Lichty

'We Don't Want to Lose Our Touch'

Presenting the First Award in the bicycle safety contest are representatives of the Kimberly Businessmen's association, Leroy Balza, left, and Art Santkuy, Terry Subert, son of Mr. and Mrs. George Subert, 251 S. Walnut street, Kimberly.

43 Students On Honor Roll At Kimberly

14 Freshmen Named To Fifth Period Listing at School

Kimberly — Forty-three students have been named to the fifth six weeks period honor roll at Kimberly High school, according to J. R. Gertrits, superintendent.

Freshmen topped all classes with 14 on the select list while there were 10 sophomores, 10 juniors and nine seniors.

Seniors included Susan Boelhower, Peggy Jo Frank, Ruth Hoffensperger, Charlene Lamers, Jack Lamers, Ronald Paalman, Ray Pitsch and David Schummers.

Junior Class Members of the junior class included Barbara Bunnow, Dennis Dresang, Judy Geenen, Kathleen Gillis, Elaine Hooyman, Marjorie Menting, Kathleen Nelesen, Maxine Van Lankvelt, Pat Verhoven and Virginia Wentzel.

Those from the sophomore class included Sandra Casper, Charles Forster, David Hamann, Nola Hartjes, David Manley, Mary Ellen Mills, Ronald Van Roy, Janice Vanervenoven, Judy Vanervenoven and Diane Versteegen.

Freshmen listed included Michael Belland, Dawn Bloch, Nancy Bunow, Donna Dewey, Mary Flanagan, Ruth Hechel, James Johnson, Barbara Kloes, Patricia Maas, Laurel Vanderheiden, Karen Wundrow, Carol Wydeven, Mary Zarter and Pamela Zwiers.

council Monday night authorized the city attorney to begin a study of heating ordinances as drawn by other municipalities.

The attorney is to recommend to the committee the ordinance felt most advantageous for the city.

A discussion was held on

Wednesday, May 13, 1959 Application Post-Crossed. AS abolishing the office of justice. The matter was referred to a joint meeting of the legislative and finance committees.

West DePere Thinclads Tip Galloping Ghosts 63-55

Kaukauna — The Kaukauna High school track squad bowed to West DePere 63-55 in a dual test.

Kaukauna won six first places while West DePere took seven and one ended in a tie. Two new records in the Kaukauna sprint medley team winning in 3:56.2 to better the mark of 3:59.1 set by a Kaukauna team in 1957.

Members of the winning team were Milo Strauss, Bruce Lukke, Jim Martzahn and Rog Nussbaum.

Woodke of West DePere won the 880-yard run in 2:08 to better the local track record of 2:11 Cook and Van Vanderen were double first place winners for the invaders while Priebe was the lone double winner for the Ghosts.

Kaukauna won both relays but the invaders swept the discus to pile up important points.

Several races ended in close heats as strong winds cut down considerably on times.

Meet results: High hurdles — 1 VanVanderen (DP) 2 Luce (K) 3 Wolf (K) Time 16.5 100-yard dash — 1 Priebe (K) 2 Borchardt (WDP) 3 Wurdinger (K) Time 11.5 440-yard run — 1 Haen (K) 2 Engebretson (WDP) 3 Coffey (K) Time 55.3 880-yard run — 1 Woodke (WDP) 2 Sternmond (K) 3 Eiler (K) Time 2:08

Low hurdles — 1 Thies (WDP) 2 Luce (K) 3 Schampers (WDP) Time 21.9 220-yard dash — 1 Priebe (K) 2 Borchardt (WDP) 3 Strauss (K) Time 54.1 Mile run — 1 Perock (WDP) 2 Jaki (K) 3 VandenHeuvel (K) Time 5:22

Sprint medley relay — 1 Kaukauna (Strauss, Lukke, Martzahn, Nussbaum) Time 3:56.2 880-yard relay — 1 Kaukauna (Priebe, Lukke, Martzahn, Wurdinger) Time 3:56.2

Advance registrations indicate the league will have better player representation than last year, according to the golf committee. A complete schedule of matches will be drawn after sponsors are lined up.

Hostess Named for Lady K of C Meeting

Kaukauna — Mrs. Jacob Schmickofer will be hostess chairman for a meeting of the Knights of Columbus Ladies at 2 p. m. Thursday in the activity room of Holy Cross school.

A social hour will be held after the meeting.

County Principal Association Picks New Officers at Locks

Combined Locks — Two and Grading," were topics of new officers were elected by discussion. The March session was held in the courthouse annex with Henry Van Straten, county superintendent of schools, as chairman. "Salaries and Contracts," were topics and this included beginning levels, average levels for second and third year, principal salaries, insurance, sick leave and summer school pay.

Locks PTA Will Meet Thursday

Combined Locks — Installation of officers will highlight the program at the Parent-Teachers association meeting at 6 p.m. Thursday at the grade school. A potluck supper will be served. The school band will present a concert and films of the ladies night program will be shown.

2 SPEBSQSA Members Receive '59 Honors

Kaukauna — Barberpole trophies were awarded to Robert Currie and John Scherer at an installation of officers and initiation meeting of the SPEBSQSA chapter of Kaukauna-Little Chute Monday. Currie received the trophy for being "Mr. Barbershopper of 1959" and Scherer was honored for being the best secretary of the year.

Probation for Teachers Voted

Rules, Policies to Be Part of Individual Instructor's Contracts

Kaukauna — The board of education Tuesday evening approved probationary measures for incoming and present teachers.

Under the method recommended by Dr. George Behnke and approved by the board, new teachers will be placed on probation for a 1 or 2-year period, depending on the recommendations of the superintendent of schools; teachers can be placed on probation by the board at any time and while on probation a teacher will not be eligible for the \$125 yearly increment; married teachers becoming pregnant must notify the board within four months after pregnancy.

The board also directed that school board requirements and rules be listed and placed on a separate sheet to be added to teacher contracts. Rules governing probation, married teachers, health examinations and other policies will be included.

Junior High School

A letter was read from Mayor Joseph Bayorgeon informing the board of future needs for an athletic field and junior high school, asking the board to begin long range planning. The mayor also asked for meetings with the council. The board earlier this year made plans along this line and intends to form a planning committee after new school commissioners are seated in July.

Board members agreed to cooperate with the Band Mothers club in setting up a long range program which would lead to replacement of band uniforms and authorized the building and grounds committee to begin accepting bids for blacktopping work at Park and Nicolet schools.

The board will look over Park school grounds and mark trees for removal, agreed to hire an additional teacher at the high school for math and general science in fall and accepted a bid for screens for windows at Park school.

Enrollment at the high school this fall will be 851 or 51 more than are enrolled this year. The superintendent was authorized to order 20 new typewriters to cost about \$2,900 and the board agreed to investigate the possibility of hiring a floating janitor to be used at three schools.

New teachers approved include Dallas Werner for science and math, Thomas Kissinger for high school commercial, Miss Donna Mae Roffer, second grade, and Karl F. Conrad, fifth and sixth grade. The latter has 1-year teaching experience while the others are beginning teachers.

Robert Smith Graduates From Drafting Course

Kaukauna — Robert Smith became the eighth apprentice graduate from Badger Northland, Inc., when he completed a 4-year drafting course recently.

The program is based on a 3-way contract between the apprentice, the company and the state industrial commission. A total of 8,320 hours are worked by the apprentice of which 530 hours are vocational school training. Apprentice wage rates are established by the state. An apprentice starts at 50 per cent of the journeyman's rate and the pay ranges to 90 per cent of that rate during the course.

Smith is a 27-year-old Fond du Lac native, who came to the company in 1952. He lives in Kaukauna.

Parish Dance to be Held Thursday Night

Little Chute — The St. John Athletic association will sponsor a parish dance at the high school gym Thursday night. Decorations from the school junior prom will serve as the background for the dance which will be from 8.30 to 12.30. Refreshments will be served.

CWV Post to Nominate New Officers Thursday

Kimberly — Nomination of new officers will be made at the meeting of the Catholic War Veterans post No. 243 at Holy Name school at 7:30 p.m. Thursday. Plans will be made for the state convention at Wisconsin Rapids May 22, 23 and 24.

Kaukauna Youth Loses Control of Car, Hits Tree

Kaukauna — About \$300 damage resulted to a car driven by William E. Pogrunt, 18, 700 W. Eighth street, Kaukauna, about 1:35 p.m. Monday when he lost control of the car while negotiating a curve on County Trunk K in the city. The youth was uninjured. According to police, Pogrunt

grat lost control of the vehicle while traveling east on K, tore up 40 feet of lawn at 221 W. Eleventh street, shot across the road knocking off a county highway sign and striking a tree at 223 W. Eleventh street. The car was out of control for about 200 feet, according to police. The youth was uninjured.

FALSE TEETH That Loosen Need Not Embarrass

Many women of false teeth have noticed real embarrassment when their false teeth dropped, slipped or loosened at just the wrong time. To not live in fear of this happening to you, just apply a little **Fast-Tight**. The solution (non-toxic) keeps your teeth in place. Hold false teeth more firmly so they feel more comfortable. Don't let your cheeks "show" when you eat. Get **Fast-Tight** at drug stores everywhere.

Most Problems Created by Essentially Normal Youth

BY G. K. MODENFIELD

Washington—It is juvenile delinquency—sickness or sport? Primarily it's sport, says a research report—sport, adventure and a way of life.

The big majority of delinquents, according to six experts in the field, are essentially normal youngsters. They're just running with the gang and doing what comes naturally.

The study commissioned by the National Education association, disclosed that only 25 per cent of the nation's juvenile delinquents demonstrate any degree of emotional disturbance, and only a few of these could be helped by psychiatric treatment—the rest are

Hodenfield either immune or allergic to it. The six authors of the report include a pediatrician, a criminologist, a psychologist, a psychiatrist, a sociologist and an authority on cultural anthropology.

According to these experts, 85 per cent of all delinquents come from lower class families. They acknowledge that terms like "lower class," "middle class" and "upper

AWFUL "ACID-GAS" AFTER EATING Now Fixed With Fastest Kind of Relief

Those who suffer severe acid-gas indigestion after eating should take this real 3-way medicine—Pfunder's Tablets—for blessed relief. Not a "fix"—not a candy-like tablet—this real 3-way medicine combines:

1. Immediate neutralizing—the FASTEST way known to medicine.
2. Special ANTI-GAS ingredients for positive action.
3. A widely prescribed AD-SORBENT ANTACID—to absorb excess acid as it continues to form.

Pfunder's Tablets—especially for those who suffer severe acid gas indigestion after eating. Get Pfunder's Tablets, today, at all drug counters.

To Place a Want-Ad Dial 3-4411

Family Aspirations

As the experts drew their line, class status is largely a matter of family aspirations rather than personal possessions. The report set forth no hard and fast rules by which a family might be classified, but it did offer some guidelines.

In the case of the lower class youngster, for instance:

It is unlikely that his parents will belong to service or fraternal organizations.

His family probably spends its incomes on present pleasures, rather than saving for the future.

He may quit school, or intend to quit, as soon as it's legally possible.

He may use poor English, such as "ain't," "I seen him," or "when he come in."

He probably will tend to regard property—whether his

own or the school's—as something to be used hard and worn out, rather than conserved.

His attitude toward money probably will be "catch as catch can," and his way of life will reflect a great reliance on fate or luck.

In the case of the middle class youngster:

His parents probably belong to service and fraternal groups.

His older male relatives will generally wear suits and neckties on the job.

His family will probably save its money for future use.

The youngster will do average or better work in school, or, if he doesn't, he will worry about it.

He will regard property as something to be maintained or improved.

His primary source of money will be a weekly or monthly allowance.

His way of life will reflect a strong concern for the future, and planning for the future.

No Sharp Division

The survey team said there is considerable mixing and overlapping of the lower and middle classes. It didn't go in to the problem of delinquency in the upper classes because, it said, the incidence is so low and so well hidden by protective parents. In fact, the experts didn't even define an "upper class."

In the matter of mental health, the report found a big difference between lower class and middle class delinquents. Although the middle

class produces only 10 per cent of all delinquents, two of every three of their number are emotionally disturbed. In the lower class, the figure is about one out of five.

The big reason for this, said the report, is the strong middle class drive to "get ahead." Parents may demand too much of the youngster, or he may demand too much of himself. If the home and school make impossible demands, the youngster may withdraw into himself and become "the sickest of the sick." Delinquent acts may follow automatically.

The major pressures on a lower class youngster, on the other hand, come from his "gang." There the emphasis is on toughness, smartness, excitement and "conning the sucker." The school and the cop on the beat may not approve of his actions but his gang does, and that is what's important.

The youth most likely to strike out against school and society, the report said, is the lower class youngster who wants to raise his status but can't.

Such a youth may want to finish high school and go on to college. But his older brother says, "You're old enough to drop out, what do you want to go to school for?" His father says, "Look at me, I never went to college. Go on and get a job."

Gang Pressure

To top it off, the neighborhood gang pours it on: "Hey, you still going to school? What are you, a sissy?"

Says the report: "This youngster must be tough indeed to move out and up." The report breaks down the nation's juvenile delinquents this way:

Seventy per cent are normal, lower class youngsters and 5 per cent are normal middle class youngsters. Fifteen per cent are lower class youth with some degree of

Recommend Walk At Public Library Be Repainted

An east-west crosswalk in front of the public library should be repainted, the publication.

emotional disturbance, and 10 per cent are middle class youngsters with emotional problems.

It is the lower class youngsters with emotional disturbances who are the hardest to treat, the experts said, because their parents refuse to recognize virtue or promise in clinical treatment.

"Even where clinical facilities are available," the report said moving traffic, as well says, "they are likely to be as providing a safe crossing rejected by parent and young-ster alike."

Green Bay Man Given West Award

Robert Walsh Wins Prize in TAPPI Competition

Neenah — Robert Walsh, Green Bay Paper and Pulp company, was awarded the \$100 first prize in the Dr. C. J. West memorial competition of the Lakes State section of TAPPI at a dinner meeting at the Elks club Tuesday night. His subject was differential speed measurements.

W. A. Dickens, Kimberly-Clark corporation, Neenah, received the second award of \$50. Third prize of \$25 went to Frank Hughes of Neenah's Marathon division, American Can company.

New officers and the executive committee were presented. Officers are Robert Leaf, Shawano Paper mills, chairman; William Nelson, Green Bay Paper and Pulp company, vice chairman; Willard Stinger, Marathon, secretary;

James Schottler, Consolidated Power and Paper company, Wisconsin Rapids, treasurer.

The executive committee includes Dr. Walter Bublitz, Kimberly-Clark, retiring chairman; Ray Bender, Appleton Machine company; John Wahlen, Combined Locks Paper company; John Swanson, Institute of Paper Chemistry, and Francis Raliff, Rhineland Paper company.

Two Fox Cities Area Projects Included in Road Surfacing Plans

Plans for resurfacing 154 miles of state trunk highways during the next few months were announced today by the state highway commission.

Projects in the Fox Cities area include asphalt surfacing of 7.2 miles of Highway 150 from 110 to 41 in Winnebago county and a section of Highway 76 in Shiocton from Highway 54 to the railroad tracks.

Work on the \$27,000 Shiocton job will probably begin in July. Resurfacing of 150, at a cost of \$127,000, will get underway this fall or next spring.

Birth Record

The following births were reported today by Fox Cities area hospitals:

Appleton Memorial:
Son to Mr. and Mrs. Philip K. Burmeister, 826 1/2 W. Fourth street.
Daughters to:
Mr. and Mrs. Edward Court, 512 1/2 N. State street.
Mr. and Mrs. Alfred Kutzleb, 920 W. Kamps avenue.
St. Elizabeth:
Sons to:
Mr. and Mrs. Clayton Le Mere, 314 1/2 S. Mason street.
Mr. and Mrs. Paul Young, 222 E. North street.
Mr. and Mrs. Michael Nielsen, 823 S. Kernan avenue.
Daughters to:
Mr. and Mrs. William Sherman, 5 West Court.
Mr. and Mrs. Paul Van Zeeland, 1114 N. Buchanan street, Little Chute.
Mr. and Mrs. Matt Spangiers, 425 Ahnaip street, Menasha.

Robert Leaf, New Chairman of the Lakes States section of TAPPI, left, congratulates winners of the Dr. C. J. West Memorial award. Winners are left to right W. A. Dickens, Kimberly-Clark corporation, second; Robert Walsh, Green Bay Paper and Pulp company, first; and Frank Hughes, Marathon division, third.

Today's Deaths

Paul Laubenstein

Paul H. Laubenstein, 53, route 3, New London, died at 2 p.m. Tuesday at his home of a heart attack after a long illness. He was born Sept. 19, 1905, in Algoma. He was employed as an auto mechanic at the Volz Chevrolet garage, New London, and was a veteran of World War II.

Funeral services will be at 2 p.m. Thursday at Emanuel Lutheran church, New London, with burial in Floral Hill cemetery, New London. The Norris-Spencer American Legion post, New London, will perform graveside military rites. Friends may call at the Cline and Hanson Funeral home, New London, until 10 a.m. Thursday.

He is survived by his widow; one son, Paul, Jr., at home; four brothers, Andrew, George and Walter, all of Sturgeon Bay, and Eldor, Kenosha; and one sister, Mrs. Andrew Brettl, Port Washington.

Phillip F. Kessler

Phillip F. Kessler, 85, Augustine street, Kaukauna, died at 1:45 p.m. Tuesday in New London after a short illness. He was born May 17, 1873, in Smithton, Ill., but came to Kaukauna in 1878 and spent most of his life there.

Funeral services will be at 2 p.m. Thursday at Trinity Evangelical Lutheran church, Kaukauna, with burial in the Keslo cemetery, Kaukauna. Friends may call at the Fargo Funeral home, Kaukauna, until noon Thursday.

He is survived by two daughters, Mrs. William Bartels and Miss Leone Kessler, both of Kaukauna; three sons, Raymond and Carl, both of Kaukauna, and Norman, Little Chute; two sisters, Mrs. Herman Heimke, Kaukauna, and Mrs. Mary Putman, Corvallis, Ore.; 16 grandchildren and nine great-grandchildren.

Miss Cecelia DeBruin

Miss Cecelia DeBruin, 43, a former Little Chute resident living in Manitowoc, died at 5:30 a.m. today in Manitowoc of pneumonia. She had been ill a long time. She was born July 16, 1910, in West De Pere and moved to Manitowoc from Little Chute in 1947.

Funeral services will be at 10 a.m. Saturday at St. Boniface Catholic church, Manitowoc, with burial in St. John cemetery, Little Chute. Friends may call after 3 p.m. at the Pfeffer Funeral home.

Grand Chute Official Won't Back School System Change

Plans to consolidate Grand Chute's school districts seemed ended after a meeting between town officials and Victor Kimball, state department of public instruction representative.

While consolidation is a good idea in terms of bettering the town's educational program, chances are Grand Chute will be attached to the Appleton school system within a couple of years, Kimball said. He cited a proposal now before the legislature that would put all school districts into high school districts. (Grand Chute's are not.)

All Purposes

Once the law is passed, the town would be attached for all school purposes anyway, Kimball said, and would have the advantages of a city school system.

The meeting with Kimball marked the near conclusion of a move to bring about consolidation begun at the 1958 town meeting. A study committee, headed by John R. Stevens, has worked on the problem since then.

At the 1959 town meeting, electors agreed to call a public hearing on consolidation, but just what the hearing would achieve, outside of informing citizens of Kimball's suggestion, is an open question, study committee members agreed Thursday night.

Kimball was supported by Outagamie County School Supt. Henry J. Van Straten, who said the town should keep its present school setup, pending expansion of Appleton.

Kimball said town officials ought to meet with the Appleton school board and plan for the day when Grand Chute enters the city school system. Study committee members indicated they aren't ready for such a meeting.

Karl Maylahn

Karl Maylahn, 74, Manawa, died at 9:30 a.m. Tuesday at New London after a long illness. He was born Sept. 24, 1885, in the town of Bovina.

Funeral services will be at 2 p.m. Friday at the Manawa Methodist church with the Rev. James Carrico, pastor of the Clintonville Methodist church, and the Rev. Norman Lawton, Manawa Methodist pastor, in charge. Burial will be in Bovina cemetery. Friends may call at the Booth Funeral home, Manawa, from 10 a.m. Thursday until noon Friday.

He is survived by his widow; one step-son, Leslie Feavel, Appleton; two sisters, Mrs. Oscar Rohm and Mrs. Cecelia Glasnip, both of Appleton; and three grandchildren.

Mrs. Julia Anderson

Mrs. Julia Anderson, 84, a former resident of Navarino, died Monday at Coer d'Alene, Idaho, after a long illness. She was born Feb. 9, 1875, in the town of Maple Grove, Shawano county. She and her husband operated a general store in Navarino before moving to Green Bay.

Funeral services will be 2 p.m. Friday at Our Savior Lutheran Church. Lessor, with burial in the church cemetery. Friends may call at the Muehl Funeral home, Seymour, from 2 p.m. Thursday until 10:30 a.m. Friday and then at the church.

Survivors include one daughter, Mrs. J. W. McCoy, San Francisco, Calif., and one son, Dr. Harold Anderson, Spokane, Wash.

Jobless Pay Bill Beat In Assembly

Madison — Democrats in the Wisconsin assembly today failed in a second attempt in approving legislation to extend the unemployment compensation tax to 6,000 small employers and grant unemployment compensation eligibility to about 20,000 of their employees.

Democratic house whips tried to apply party discipline to get the votes of a half-dozen members who deserted the party leadership last week and defied the wishes of organized labor in opposing the bill.

The measure to extend the 3 per cent payroll tax was sponsored by an advisory committee of the state industrial commission, and was fought by opponents as a signal that the program finally will be extended to cover all employers of one or more persons, including farmers.

Loofboro Quits School Post at New London

New London — P. M. Loofboro, superintendent of schools, resigned Tuesday night to accept a similar position at West Bend. The resignation was accepted by the board of education effective as of July 1.

Loofboro came to New London in July, 1952, after a mass resignation of school board members. He worked with the city council-appointed school board in establishing stability in the school district.

He gained national prominence in 1956 when he suggested that close circuit television be installed in the study hall to monitor student activities from the main office. The board accepted the proposal and New London High school became the first school in the nation to use television in this manner.

Meeting of Heating Board Rescheduled

The city's heating board postponed a meeting scheduled for Tuesday night and will meet instead at 7 p.m. Monday at city hall. Building Inspector Walter Bogan said.

Board members were to hear a report from Ald. Austin N. Tucker on what has happened to new laws it asked City Atty. Jury to draft.

2nd Annual Home, Garden, Food Show Opens at Valley Fair

The Valley Fair shopping center Home - Garden - Food show opened today, with 31 firms occupying more than 400 feet of exhibit space.

The annual event will run through Sunday and features a variety of exhibits.

American Home maker Products is among the firms exhibiting products at the show. The firm was omitted in a story Tuesday.

Freedom Youth Dies of Burns In Auto Crash

Ronald Gerrits, 19, Freedom, died at 1:30 a.m. today at Rochester, Minn., after he was burned Tuesday in an auto accident near Rochester.

He was born Sept. 4, 1939, in Freedom. He was working for the Ponderosa Pine company of Appleton.

Funeral services will be at 10 a.m. Friday at St. Nicholas Catholic church in Freedom. Burial will be in the parish cemetery. Friends may call at the Verkuilen Funeral home, Little Chute, after 2 p.m. Thursday until the time of the services.

He is survived by his father, Frank, Freedom; five sisters, Mrs. Robert Oudenhoven, route 2, West De Pere, Mrs. Lee Kabat and Mrs. Urban Konkle, both Freedom, and Janice and Carol Gerrits, both at home; and two brothers, Vernon, Freedom, and Russell, Menasha.

Tipsy Driver Forfeits Bond

Clarence Weikel Fails to Appear In Traffic Court

Clarence O. Weikel, 52, of 1500 N. Outagamie street, Tuesday forfeited \$118.95 in municipal court on a charge of drunken driving.

He was arrested by state police shortly before 10 p.m. Saturday on Highway 41 about 1 1/2 miles west of Little Chute after a patrolman observed him driving erratically.

Weikel tested .24 on the drunkometer. A reading of .15 is considered evidence of intoxication.

Pastor Says People Need Christian Home

Rev. H. Shelby Lee
Asks Change in
Current Thinking

A call for more truly Christian homes was voiced Sunday by the Rev. H. Shelby Lee, pastor of the First Congregational church.

The Rev. Mr. Lee pointed out demands are high and the task is great for making a home Christian.

"A home is Christian," he pointed out, "when at its center there is a concern for God. Christianity is God-centered — God as known in Christ."

Idol Worship
"Our homes at times seem to be places of idol worship: automobiles, houses, gadgets, all of which are good when viewed and used correctly, but which make very weak and ineffective gods. The question is this: Do the values around which our homes are built stem from our Judeo-Christian God or from gods made or purchased with our own hands?" he asked.

The Rev. Mr. Lee also said that a Christian home must have a concern for fulfillment — based in the marriage relationship first.

"A concern for being," he continued, "shifts the emphasis toward children. A Christian parent will be concerned that his children do what they can do, that they become what they can become, that they achieve a genuinely human existence in keeping with their own unique capacities."

Disciplines are changing and what used to be high school mores are now well out of date even for junior

St. Pius X Holy Name Unit Elects Officers

Donald Samma has been elected president of the St. Pius X Holy Name society. Other officers are Dr. A. E. Popelka, first vice president; John Zahn, second vice president; Sylvester Bayer, secretary; and George Sojda, treasurer.

Adrian Faas, chairman of the nominating committee, presented the slate of officers. James Otto reported on newly-organized St. Pius X Booster club.

Mrs. Ramona Bayliss, Green Bay, was guest speaker at the Sunday morning breakfast at which wives and mothers were guests.

high school students, he said.

This is based, he indicated, in the American idea that we are dangerously close to thinking that anything that can be made, sold and consumed is good.

"And it actually becomes a sacred cow if all is done with profit," he added.

"The Christian and the Christian home have a stake in profit and in a healthy economic order, but not at the expense of being. Even we Christians are sorely tempted to see our children get ahead in the world, forgetting that our primary responsibility is to help our children find out what they can be."

Concern for Others
"There is one other concern of a Christian home, and that is concern for others. All of us want our children to be well fed, well clothed, and well housed. Many want our children to be well educated," he added, stating that the Christian cannot stop at that.

"What he wants for his own household he wants for all mankind. He may not know how to bring this to pass, but he wills it and yearns for it and does what he can that it may be so."

Charlie's in Montreal Preparing His Gear and French for Journey

BY CHARLIE ROUSE
Post-Crescent Staff Writer

Montreal—Here in the old city which was called Hochelaga before it was discovered by Jacques Cartier in 1535. I am making careful preparations for my voyage in the 325-year-old wake of Jean Nicolet's exploratory canoe. When that bold explorer turned westward the prow of his birch bark craft in July of 1634, Montreal was not yet truly born but was an Indian village of perhaps 50 longhouses and fewer than 200 people. As I make my preparations in 1959, Montreal is reaching for a population of 1,700,000. There can be little doubt that it will become one of the great cities of the world, the opening of the St. Lawrence seaway is its "open sesame."

Not the least of my problems of preparation is my somewhat hilarious manner of speaking French. My request for scrambled eggs this morning had four waitresses giggling and whispering to each other about me. I had, apparently, asked for smashed eggshells—a rare request!

Montreal Bi-Lingual

The community of Montreal is bi-lingual. Perhaps 70 per cent of the population is French-speaking. As my canoe nibbles away the westward miles I will encounter citizens who have no English at all.

It is strange—is it not—that this British dominion retains the French tongue after almost 200 years of English rule. The fleur de lis was hauled down by the conquering British in 1763, never again to fly officially over this land. Yet, in these sections of Canada, the speech principally is French as are the customs and character of these charming people.

My cab driver of last night, Charles Levesque, as many another French Canadian, dates the arrival of his ancestors here back to the time 300 years ago when France held several thousands of miles of land in North America, before the advance of British troops.

I can think of no historic similarity where a conquered population, invaded and governed by a foreign force, managed to retain its national speech and character over

and his voyage lasted almost a year, with time out for powwows with natives. Most of the route is "up hill", however, and I will be happy to be spared many months of hard paddle water. And so will you come with me by proxy? I look for a hard trip, but an extra special one.

I carry a grub sack, with some of the staples I shall need—beans, bacon, bread; some powdered foods and drink. I shall have a small 2-man tent which is light in weight, a sleeping bag, and two cameras.

My compass is all-important and so is my fishing rod; for I believe fish will be im-

portant to me as the days go by.

Change of Clothing

I carry one complete change of clothing and two pairs of shoes, an axe, a folding shovel, rope, a poncho, a heavy wool shirt and a field jacket. I also lug a first-aid kit of minor proportions, a sewing kit, maps and writing materials (for I will scribble these reports to you in the field).

Naturally, I also have such things as soap, toothbrush, two towels, and a set of nested cooking pots and dishes.

Less the weight of the motor and the canoe my gear weighs about 80 pounds.

I'm beginning to wish I had taken blankets to augment my sleeping bag.

Last night, in my room at the Mount Royal hotel, I was cold.

News of the Twin Cities

Menasha - Neenah

Plans for Region 6 'Alice' Contest Near Completion Stage

Free Dairy Products to be Dispensed in Both Cities

Neenah — With the big event less than a week away, the Twin Cities are completing final plans for the gala "Alice in Dairyland" regional contest next Tuesday.

As part of the festivities, two "refreshment areas" will be set up, one in each downtown section, to dispense free milk, cheese and crackers to passersby as a reminder of the dairy-minded promotion.

Residents and visitors have been invited to stop in at 118 W. Wisconsin avenue, Neenah (the Jandrey annex and former Winnebago Land Sporting Goods store) and the former drug store building in Menasha on Main street, next to the Menasha hotel.

Special Treat
Both stands will be open from 1 to 6 p.m. next Tuesday. Tom Atkins, chairman of the community dairy sales promotion committee for the event, said visitors will receive a special treat at the refreshment stands.

"Alice in Dairyland" herself, Barbara Haslow, will be on hand to dispense Wisconsin's dairy products at each stand. She will be at the Menasha stand from 2 to 3 p.m. and will be in Neenah from 3 to 4 p.m.

During the afternoon judging, two of the some 33 girls who have entered the Region 6 contest, covering Winnebago and seven surrounding counties, will be chosen as regional winners. The winners will compete in the state contest at Janesville and from the finalists chosen there one will be selected as "Alice" at the state fair.

30-Unit Parade
The two winning girls will be announced at the evening banquet at the Elks club, following a twilight parade of some 30 units that begins in Neenah at 5 p.m. and ends in Menasha.

The dinner is open to the public and tickets are available at the Neenah-Menasha Chamber of Commerce office. A program of entertainment they have been granted the Dodge car and truck agency for Neenah-Menasha and since 1922 has operated the Jaeger-Dowling company at the same site on N. Commercial street. It is the oldest automobile agency in Neenah - Menasha.

They have engaged Elmer and Appleton for many years. "Scotty" Schroeder as the garage had the Ford agency and in recent years has stress service for Chrysler had the Studebaker and Mercury dealerships.

The Gilberts announced ing retained.

Fox Cities Businessmen Were entertained by officials of the Chicago and North Western railroad Tuesday night at Butte des Morts Golf club. Left to right are Irwin Pearson, Menasha, executive secretary of the Wisconsin Paper Group; Edwin A. Olson, Chicago, vice president of North Western traffic; W. L. Thornton, Jr., Neenah, general traffic manager, Kimberly-Clark corporation; Robert C. Stubbs, Chicago, C&NW assistant vice president of sales and service; and R. H. Lorenz, Menasha, general traffic manager, Marathon division of American Can company.

Condition of Ida Patzel Given as 'Poor'

Elderly Neenah Woman Struck While Crossing Street

Neenah — Condition of Miss Ida Patzel, 77, 238 Bond street, injured in a traffic accident at 2:16 p.m. Tuesday, was described today as "very poor."

Miss Patzel was on her way to visit her sister, Miss Kate Patzel, also of 238 Bond street, who has been a patient at Theda Clark hospital for almost four years, when she was struck by a car driven by John A. Smith, 28, 419 Fifth street, Neenah, at the corner of First street and E. Forest avenue.

She was taken in the Neenah ambulance to the hospital and had not gained consciousness by this morning.

Skull Fractures
She received several fractures of the skull and contusions of the brain and was being given oxygen and blood transfusions, according to relatives. An operation was performed to relieve the pressure on the brain.

Smith told Neenah police he had been going southwest on E. Forest avenue, had stopped for the arterial and had started to make a left turn to go downtown to get his wife. He said he had not seen Miss Patzel until the car struck her.

Miss Patzel was crossing at the corner from the west to the east side of the street in the south crosswalk. She was knocked down and was lying 12 feet south of the crosswalk and seven feet west of the center line of the street.

Curators of the museum are Mr. and Mrs. Jake Tschudy, who live in one part of the des Morts school the morning of May 29 and at Clovis-long trailer.

New Menasha School Insurance Purchase Policy Recommended

Board Decides to Abandon Allocation; Coverage Added

Menasha — Insurance coverage on school buildings will be secured in a different manner in the future, the board of education decided Tuesday.

In its regular meeting, postponed from Monday, the board approved a motion by Com. John Fitzpatrick to abandon the present policy of allocating insurance business. The motion also directs the board's finance committee to make recommendations on securing insurance.

Insurance discussion came up when Com. William Snyder told the board a premium is due on a special policy rider for added fire loss and extended coverage.

Extra insurance, for \$545,470, is added to the present former coverage of about \$452,000 on all school buildings and their contents.

No Debris Removal
Snyder explained his committee March 27 directed the board to relieve the pressure on the brain.

Smith told Neenah police he had been going southwest on E. Forest avenue, had stopped for the arterial and had started to make a left turn to go downtown to get his wife.

He said he had not seen Miss Patzel until the car struck her.

Curators of the museum are Mr. and Mrs. Jake Tschudy, who live in one part of the des Morts school the morning of May 29 and at Clovis-long trailer.

Meet Mr. Lincoln' Theme Of Historymobile Exhibit

Menasha — Menasha and Grove school that afternoon, its schools will be visited May 29-30 by the State Historical society's historymobile, its in downtown Menasha. Open hours are 9 a.m. to 6 p.m.

"Meet Mr. Lincoln" is the theme of this year's exhibit through the Wisconsin Lincoln Events in Abraham Lincoln's Sesquicentennial committee. Classes and individuals are invited to visit the rolling museum. A visiting rate of 120 persons an hour provides oramas, photographs and other adequate viewing time.

The exhibit will be at Butte des Morts school the morning of May 29 and at Clovis-long trailer.

W. J. Dowling, Sr. Dowling Ends Active Role in Auto Agency

Remains Officer in Garage Bought by 2 Gilbert Brothers

Neenah — Sale of the Jaeger - Dowling company garage at 515 N. Commercial street and the retirement of William J. Dowling, Sr. from active management of the firm was announced today.

The purchase was by T. M. "Bert" Gilbert, Jr., of Appleton and Albert D. "Dick" Gilbert of Menasha, sons of T. M. Gilbert, Sr., president and general manager of the Gilbert Paper company. The brothers have purchased the interests of the Jaeger-Dowling company and will continue operation of the garage as the Gilbert-Dowling company.

"Bert" Gilbert is president, Dowling vice president and "Dick" Gilbert secretary-treasurer of the new company.

Dowling has been in the garage business for 39 years in Neenah - Menasha and since 1922 has operated the Jaeger-Dowling company at the same site on N. Commercial street. It is the oldest automobile agency in Neenah - Menasha.

They have engaged Elmer and Appleton for many years. "Scotty" Schroeder as the garage had the Ford agency and in recent years has stress service for Chrysler had the Studebaker and Mercury dealerships.

The Gilberts announced ing retained.

1 Out of 33 Children Not Polio-Protected

Neenah Health Officer, Nurse Report 1,200 Lack Complete Immunization

Neenah — One child out of Mrs. Margo Pontius, former every 33 in the Neenah schools assistant city nurse, in the has never had any polio public and parochial schools tection, according to survey covering from kindergarten results announced today by through the eighth grade.

No Records on 118
Taking the total of 3,307 children, the survey showed there was no record of 118 children and that another 372 had not had any polio protection. There were 852 who had less than the series of three immunizations, 1,881 that had the series of three immunizations and 84 that had more than three.

Divided according to grade there were 55 kindergartners, 33 first graders, 48 second graders, 42 third graders, 21 fourth graders, 23 fifth graders, 24 sixth graders, 49 seventh graders, 67 eighth graders and 10 in special education who had not had any polio protection.

Both Dr. Brunckhorst and Mrs. Davis pointed out the American Medical association recommends four polio immunizations and urged special attention be given to the approximately 1,200 students who have had only partial or no protection against polio.

The survey was made by

Delegates to Boys' State Picked by MHS

Menasha — Robert Cook and Wayne Doverspike will represent Menasha High school at Badger Boys' state the June 13-20 at Ripon college. They will be among 750 boys from all over Wisconsin in the annual American Legion event.

Both are seniors in the college preparatory course at Menasha High school and are active in their churches. Cook, sponsored by Lenz-Ga-zek's American Legion post 152, is a member of the student senate, reporter for the Blue Jay, varsity football player and track man, and was in the 1958 finals of the Mathematics Association of America mathematics contest. He is the son of Mr. and Mrs. Robert Cook.

Doverspike, son of Mr. and Mrs. Franklin Doverspike, is son, pastor of St. Timothy vice president and student director of the high school band member of the school chorus, boys' glee club, senior Madrigal and has been a basketball squad member. He won last year's Music Parents scholarship to a summer music clinic at the University of Wisconsin. His attendance at Mrs. Badger Boys' state is sponsored by the Menasha Rotary club.

Dr. N. S. James, OSC, Named MHS Speaker

Commencement
June 5; 145 to
Receive Diplomas

Menasha — Dr. Nevin S. James, professor of speech and English at Wisconsin State college, Oshkosh, will deliver the commencement address June 5 at Menasha High school.

The speaker's name was announced at Tuesday night's board of education meeting, at which the board also approved issuing diplomas to the 145 graduating seniors.

Prof. James, who has been at the Oshkosh college the last 35 years, is chairman of the English department. He is former president of the Association of Wisconsin College Faculties.

L. A. Wienberger, high school principal, and Miss Bernice Miller, social studies and guidance instructor, were authorized to attend a summer workshop of the North Central association at the University of Chicago June 28-30. They attended a similar workshop last summer on guidance and testing procedures. Supt. of Schools M. J. Gegan explained this year's session and parochial schools.

is a continuation of the workshop of last year.

The board also: Offered thanks to Mrs. Laura Bisping, 88 Broad street, for the gift of an upright piano for Clovis-Grove school. Gegan explained the Bisping and Grove families had been friends many years.

Approved offering the public summer school program to St. Mary High school students. Eighteen Menasha High school students have said they want to take the personal typing course to be given this summer. The course costs \$10, running six weeks, five days a week. More students would help meet the costs of the summer class.

Planning a groundbreaking ceremony for the new Sixth street elementary school. Supt. Gegan was directed to make arrangements.

Postponed until next month hearing a report on the social studies program. Approved hiring Mrs. Mari-zusch as elected vice president and Mrs. Everett Palm-bach, secretary, at Theda Clark Nurses Alumnae association's Monday meeting.

Mrs. Alice Riehl and Mrs. Winona Schmidt were named directors. A picnic will be held at 6 p.m. June 8 at the home of Mrs. Don Hruska. Mrs. John Suchodolski and Mrs. Riehl will assist the hostess.

Nurse Alumnae Name Officers

Neenah — Mrs. Orson Kran-zusch was elected vice president and Mrs. Everett Palm-bach, secretary, at Theda Clark Nurses Alumnae association's Monday meeting.

Mrs. Alice Riehl and Mrs. Winona Schmidt were named directors. A picnic will be held at 6 p.m. June 8 at the home of Mrs. Don Hruska. Mrs. John Suchodolski and Mrs. Riehl will assist the hostess.

Setting for the Saturday Spring dance of Marathon Recreation association was Menasha Elks club. Party-goers in the upper picture from left to right are Tom Manley, Miss Carol Gullickson and Mr. and Mrs. Arnold Siebert. Dancing below are Mr. and Mrs. Felix Ropella, Jr., left, and Mr. and Mrs. Pat O'Keefe.

Season Ticket Information Told For Neenah Pool

Neenah — Season tickets for the Neenah swimming pool will go on sale at 9 a. m. Saturday at the Recreation building, Recreation Director Bill Miller announced today.

Miller said tickets may be purchased at any time the Recreation building is open from Saturday through July 15. As in past years, season tickets are available to city of Neenah residents only.

Prices, which are the same as last year, are (children, 12 and under), \$1.50, students, (13 to 19), \$3.25, adults (19 and older) \$5.25 and family tickets (which provide season ticket privileges to the parents and all children in the immediate family), \$15.

The same identification system as was used last year will apply. Ticket purchasers will receive a duplicate receipt with a pass number. On entry to the pool they give their number which is checked with the master name lists.

The pool opening has been set tentatively for 1 p.m. on May 30. The actual opening date depends on the weatherman's cooperation in permitting all essential pre-season work to be completed, Miller said.

Furniture Has Slimmer Lines

Oshkosh — Slimmer lines, fresh colors and versatile accessories are seen in the new furniture selections offered this season. Beige is a popular color as well as yellow, beige and off white. Also featured are olive green, sky blue and citrus colors of orange, lemon and lime.

Combine different kinds of wood and furniture styles in one room, advises Miss Lois Klusmeyer, county home agent. Wood finishes are lighter, brown tones, called fruitwood, some are 84 inches long. In colors or French walnut. The general furniture on the market is slim and light with finishes like min-wax on un-

South Greenville Grange Lists Winners of Contests

Neenah — First and second degrees were conferred on three South Greenville Grange members Saturday with Grange officers conducting the first degree ceremony and the second degree presented by a special ladies degree team under the direction of Ann Crawford.

Mrs. Herbert Wickesberg, home economics chairman, announced two South Greenville Grange members won first places on the Pomona and level in the sewing contest. Mary Ross received first place in Class D with a little girl's dress and Miss Sandra Lawdon won first place in Class C on a junior dress. The winning entries will be submitted for state competition.

Carolyn Grienert was the winner on the subordinate level of a national highway safety essay contest. Her essay has been sent to the state lecturer to compete in the state contest.

A donation was voted to the

Class Elects New Officers

Neenah — Members of the Mizpah — Stearns class of Whiting Memorial Baptist church met Tuesday evening at the home of Mrs. John Friesen, 116 Andrew street, and elected officers.

They are Mrs. Lyle Parmenter, president, Mrs. Selma Stallman, vice president, and Mrs. Ed Phillips, secretary-treasurer. A missionary from Haiti, Stanford Kelly, spoke to the group.

finished furniture and have attractive furnishings within their price range.

Wool carpets are now moth-proofed for the life of the carpet. Sofas are getting longer, some are 84 inches long. The general furniture on the market is slim and light with finishes like min-wax on un-

2-Cherry House Destroyed by Fire
Oshkosh — A 2-story frame house owned by Edward Beck, located of a mile north of Highway 118, was completely destroyed by fire Tuesday night. A passing motorist noticed the fire and awoke the family. The sheriff's department received a call at 11:08 p.m.
By the time the town of Winland fire department arrived, the fire was out of control. No furniture was saved from upstairs and many of the family's belongings downstairs were destroyed.
Sheriff's deputies said they asked assistance from male spectators along the road to help in removing the furniture but none would volunteer.

7-Run Seventh Aids Kimberly To 9-8 Victory Over Rockets

Winners Get All of Their Runs in Final Two Innings

Neenah — Rallying from a 3-run deficit, Kimberly came up with seven runs in the top of the seventh to defeat Neenah 9-8 here Tuesday afternoon.

The win gives the Papermakers a 4-1 Mid-Eastern conference record while the Rockets have 3-3.

Neenah scored the first and last runs of the ball game and twice had 5-run margins. However, the Papermakers, after being stymied by Don Jensen with one hit for the first 5-13 innings, finished strong and made all of their runs and nine of their 10 hits in the final two segments.

Rockets Lead 7-2
The Papermakers were down 7-2 going into the first of the seventh when they uncorked seven runs on as many hits and a Neenah error. A couple of the drives were fielded poorly by the outfield and they went for doubles. In all, the visitors clubbed two homers and three doubles in the big frame.

Jack Lamers opened with a homer over the left field fence and Marv Smits followed with a double. Dan Vandenhuevel was safe on an error and Jerry Blinsfield got a single, leading the bases. Tom Peerenboom's double sent home Smits and Vandenhuevel and, after Jim Siebers made the first out, Dave Minten doubled to right scoring the tying runs.

Hearden Homers
Don Hearden then belted the ball over the left field barrier for runs Nos. 8 and 9. Tom Hensen was brought to the hill to relieve Jensen. He struck out Jeff VanderVelden and, after giving a single to Lamers, forced Smits to fly out to the end of the inning.

The Rockets came up with a rally of their own in the lower half of the inning but it fell a run short of tying. Jim Hensen reached second on Hearden's throwing error and took third on an infield out. Jensen walked, putting

Kluba Powers 264 Single in Classic Wheel

Ganzel Collects 848 Trio to Cop Share of Laurels

Menasha — Jim Kluba cracked a 264 game and Hal Ganzel had a 4-game series of 948 in the Mid-Town 3-Man Classic Bowling league Tuesday night at Mid-Town alleys.

Ganzel's set included games of 227 and 243. Kluba finished with a 766 count.

Other leading totals included Harold Becker 231-770, Harv Walbrun 243-766, "Rusty" Schreiber 233-766, Jim Beisenstein 761, "Bugs" Moran 748, Earl Berndt 747, Harold Walsh 740, Al Spang 733 and Bob Hanson 724.

There were 14 games between 200 and 225. Team honors went to Mid-Town's 662 game and Hedberg's 2,329.

Hedberg's leads with 37.13 Peterson points. W-W Bar has 35.12, Jitter and Joe's 34.90, Club Terrace 34.82 and Cozy Bar 34.57.

Alta Breaker Bowls Leading 200 Single; White Sox Cop Title
Menasha — Alta Breaker rolled a 200 game to lead the Winchester Baseball Couples Bowling league in weekend action at the Menasha Recreation alleys.

The White Sox, composed of Bill and Elaine Henry, Janet Danke and Dick Metzger, won the championship with a 34-20 record, placing 13 games ahead of the Tigers.

The league dinner will be held Sunday night at Nargreen's hotel at Weyauwega.

Relations, Office Vie In Marathon League
Menasha — Defending champion Industrial Relations meets Main Office at 6:30 tonight at Jefferson park in a bid for its second win in Marathon Softball league play. Office also won its first game.

Carlton Press, which won its first two games, faces Central Shipping (0-2) in the 8 o'clock contest. The opener at 5:15 brings together Research and Development (0-1) and Neenah Plant (0-1).

Kimberly's Darrell Jansen, far left, shown copping the 100-yard dash, won three events and placed second in another in Tuesday's Menasha-Two Rivers-Kimberly triangular. Other runners, left to right, are Tom Stepanski, Menasha, who was second; Jerry

Sobiesczyk, Menasha, fourth; Lee Oestreich, Two Rivers, third; and Jerry Post, Two Rivers, fifth. Two Rivers won the meet with Kimberly second and Menasha third.

Ramblers Trip Main Office, 10-9, In Opening Industrial Loop Fray

Defending Champs Score Quartet in Last of Seventh

Menasha — The defending champion Marathon Rambler downed Main Office, last year's runnerup, 10-9 in a National section Twin City Industrial Softball league game Tuesday night at Jefferson park.

The Marathon Packers, romped over Neenah Foundry 19-2 at the Recreation field in the night's other National loop affair.

The Main Office - Rambler score was tied at 5-all at the end of five frames and the Rams came up with one in the last of the sixth. Main Office took a 9-6 lead with a quartet in top of the seventh on Joe Kosiorek's grand slam and the defending titlists won with an equal number in the lower half.

Pitcher Doug Wiatrowski walked with the bases loaded to give the Ramblers the tie-breaking run.

Bob Brisco homered with one in the first for Main Office and Bob Pontow cracked one with a runner on base in the fourth and had his second with the bases empty in the sixth.

Lee Peterson had three hits and Haack, Geibel and Pontow all made two for the Ramblers. Pete Burghardt, Kosiorek and Brisco all had a pair for Main Office.

The Packers scored seven runs in the first inning and

a like amount in the sixth in their 1-sided win over Foundry. Dave Demichei stopped the Foundry with five hits. The winners made 12 and received 11 walks.

Elstran had four for the Marathon entry while Clarence Schaefer made three and "Bud" Van two to account for all the losers' bingles.

Jitter's to Meet Kaukauna Squad
Menasha — Jitter and Joe's Softball team bids for its third straight win when it meets Shamrock Bar of Kaukauna at 8 p.m. Thursday at Kaukauna. Fred Fuller will pitch for the Menashans.

Jitter's turned back Lom's of Green Bay and St. Paul of the Appleton Church league in its first two starts.

Jays Turn Back Kimberly 7-0 In M-E Match

Menasha Faces Manitowoc High In Thursday Test

Menasha — Using a squad made up mainly of sophomores, Menasha blanked Kimberly 7-0 in a Mid-Eastern conference match here Tuesday afternoon. The Jay record is now 10-3.

Dan Artt, playing No. 1, took a 6-3, 6-3 triumph over Toby Meyer and Bill Ritchie turned back Lee Vanervenhoven 6-0, 6-4 at the second spot.

Other Bluejay winners were John Bertram over Clarence Yunk 6-1, 10-8, Jim Vandecastle over Dave DeBruin 6-0, 6-2 and Joel Kimmel over Bob Thomas 6-0, 6-0. John Cox defeated Bob VanBeek 2-6, 6-3, 8-6 in an exhibition.

Ritchie and Vandecastle turned back Meyer and Yunk 6-3, 6-1 and Artt and Bertram topped Vanervenhoven and Thomas 6-1, 6-0 in doubles play. Cox and Kimmel took a 6-1 win over Van Beek and DeBruin in an exhibition.

The Jays' regulars will be back in action Thursday afternoon in a home match against Manitowoc.

The Shipbuilders have been strengthened by the return of Dick Hall, one of the top singles players in the state, who started the season on the baseball squad. Other lettermen are Bob Shaw and Bill Zigmund.

The Fox River Valley conference member blanked the Jays 7-0 in last year's meeting. In previous starts this year against FVC foes, the Menashans tripped Appleton, Fond du Lac and Sheboygan Central.

Caribou, Maine — Yvon Durelle, 175, Baie St. Anne, N.B., knocked out Teddy Burns, 176½, Boston, 3.

pitcher and Berendson took the loss. Russ Simons homered for Neenah Paper. He and Johnson had three hits for the winners. Frank and Halms had two apiece for the Railroaders.

Neenah Paper turned back Soo Line 17-7 and Wooden Ware rolled to a 22-7 verdict over Wisconsin Tissue Mills.

The Tissue - Mills - Wooden Ware game was called at the end of six innings. The winners scored 11 runs in the first inning and came up with eight in the fifth. The losers had a high of five runs in the fifth.

Both teams had more runs than hits. Wooden Ware made 14 bingles and received 10 walks. Tissue Mills had three hits and 11 bases on balls.

The only homer was a 2-run blast by Wooden Ware's Zelinski in the second. Bob Williams was the winning pitcher and Don Conger took the loss.

Swentner paced the victors with four hits. Strass had two of Tissue Mill's three.

Neenah Paper scored in every inning but the fifth in dumping Soo Line. Its high was eight in the fourth. Soo Line had a high of four in the third.

Wahlgren was the winning pitcher of Green Bay and St. Paul of the Appleton Church league in its first two starts.

Raiders Take 3-Team Meet; Menasha Third

Kimberly's Jansen Leads All Scorers With 19 Points; Haass, Jersild Cop for Hosts

Menasha — Showing strong balance, Two Rivers High school trackmen edged Kimberly and Menasha for honors in a triangular meet here Tuesday afternoon. The Raiders piled up 7½ points to 70 for Kimberly while Menasha was a close third with 66½.

The Raiders collected five individual firsts plus a tie for another, two seconds, six thirds, five fourths and seven fifths places plus seconds in both relays. Kimberly was a close competitor for firsts with four and placed six seconds. However, they trailed in the other places with three thirds, two fourths and three fifths. Kimberly won the medley relay.

Take Two Firsts
The host Jays managed only two firsts and a tie for another, had three seconds, six thirds, five fourths and two fifths and topped the spring relay.

Kimberly led with 29 points at the end of four events, the Raiders had 19 and Menasha 13. But when the 880 and discus results were in, Two Rivers had 37, Kimberly 33 and Menasha 21. The Raiders maintained at least a 5-point margin the rest of the way with Menasha pulling within a couple of points of Kimberly several times.

A near record throw of 50 feet, 5 inches by Emery Panosh in the shot put, the last event going, clinched the victory for the Raiders. The conference shot record of 50 feet, 11 inches was set by Kaukauna's Pat Flanagan a good many years ago.

In individual performances Kimberly's Darrell Jansen accounted for 19 points. He won his usual two hurdles events, took the century in a good 10.9 into a strong wind and was second in the high jump. The only other Papermaker first was by Mitchell in the mile.

Had Kimberly had Joe Botwork in the pole vault, first place might easily have gone to the Papermakers. Botwork has cleared 11 feet but is a senior and started work at a full time job Tuesday afternoon. He'll be available for the Saturday meet.

though. First place in the pole vault was a tie between Don Sandertfoot of Menasha and Don Koprowski of Two Rivers at 9 feet.

Other Menasha firsts were by Carl Jersild in the high jump at 5 feet, 9 inches and Ron Haass in the broad jump at 18 feet, 10 inches. Jersild was the top Menasha scorer by adding a second in the highs and third in the lows.

K-C Plant Engineers Hold 4-Day Meeting

Program Includes Touring Milwaukee Industrial Plants

Neenah — Kimberly-Clark Corporation engineers opened a 4-day conference Tuesday at the staff engineering center at the Kimlark plant. The last two days of the conference will be devoted to tours of the local mills and of two Milwaukee industrial plants.

Area engineers who will be attending include R. R. Nelson of Kimberly, R. D. Martin of Neenah Paper company division, Fred Hollenbeck of Neenah mill, Kenneth Heinz of Atlas, W. H. Rudolf of research and development, Ed Graves of Kimlark and G. H. Kolbe of general offices. Also attending are plant engineers from the other corporation plants in the United States and Canada.

C. G. R. Johnson, vice president and chief engineer, opened the conference Tuesday. Other speakers during the sessions include Robert Crikelaar, manager of budget and control; Ray Johnson of the mill and engineering services section of staff engineering; R. G. Minarik of staff engineering, and John Whitney, corporation treasurer.

Forum discussions on mill-staff relations, communications, mill audit, staff services and training will be part of the conference program. The plant engineers were guests of the Kimberly-Clark Engineers club at a dinner meeting Tuesday evening at the Valley Inn. An informal program was held.

7 Record Albums Added at Library For Music Week

Menasha — National Music week is being observed at Elisha D. Smith public library with the addition of seven phonograph albums to the collection.

The library's collection which was started by gifts by the music section of the Economics club, has grown to more than 300 records.

The selections available this week include two long-play 33 r.p.m. albums: "Helen Traubel in Opera and Song" and "The Art of Bido Sayao."

New 78-r.p.m. albums include the "Music of Johann Strauss," played by Andre Kostelanetz and his orchestra; "The Music of Victor Herbert," also by Kostelanetz; and "Sorcerer's Apprentice" by Paul Dukas, Dimitri Mitropoulos conducting the Minneapolis Symphony orchestra.

Two albums containing the complete opera "La Boheme" by Puccini also are new. Bido Sayao, Richard Tucker, Salvatore Baccaloni and George Cehanovsky are the stars of this album.

Oshkosh Man Pleads Innocent to Three Fishing Violations

Oshkosh — Thomas Goike, 34, Oshkosh, pleaded innocent to charges of possessing a gill net and over a bag limits of perch and walleye before Municipal Judge S. J. Luchsinger Tuesday. Trial was set for 9:30 a. m. on June 8.

Preliminary examination on a fourth charge, that of taking fish from Lake Winnebago with two gill nets, was set for 1:30 p.m. on May 21.

Richard Mulvey, 18, route 2, Omro, pleaded guilty of using a set line before the opening of the set line season and was fined \$30 and costs by Judge Luchsinger.

High School Music Groups Win Awards

Amherst — The high school band received the two first place awards in Class B at the Gresham music festival Saturday.

Their awards were for both concert and marching.

Marion High school a capella chorus received a second place award in the Class A division. The Class B chorus has received a second place award and the senior band a first and second. The junior band won a first.

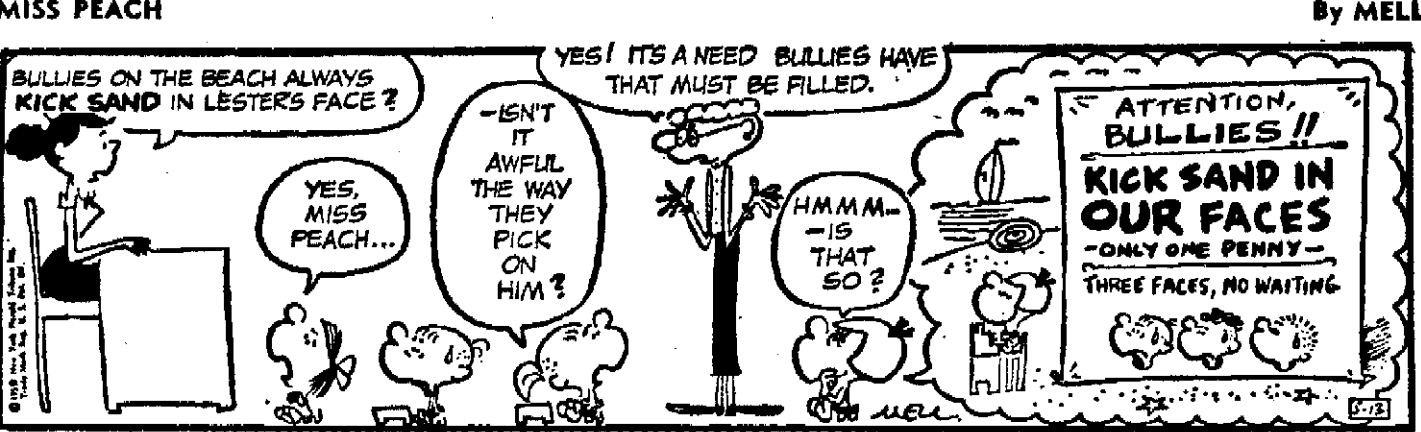

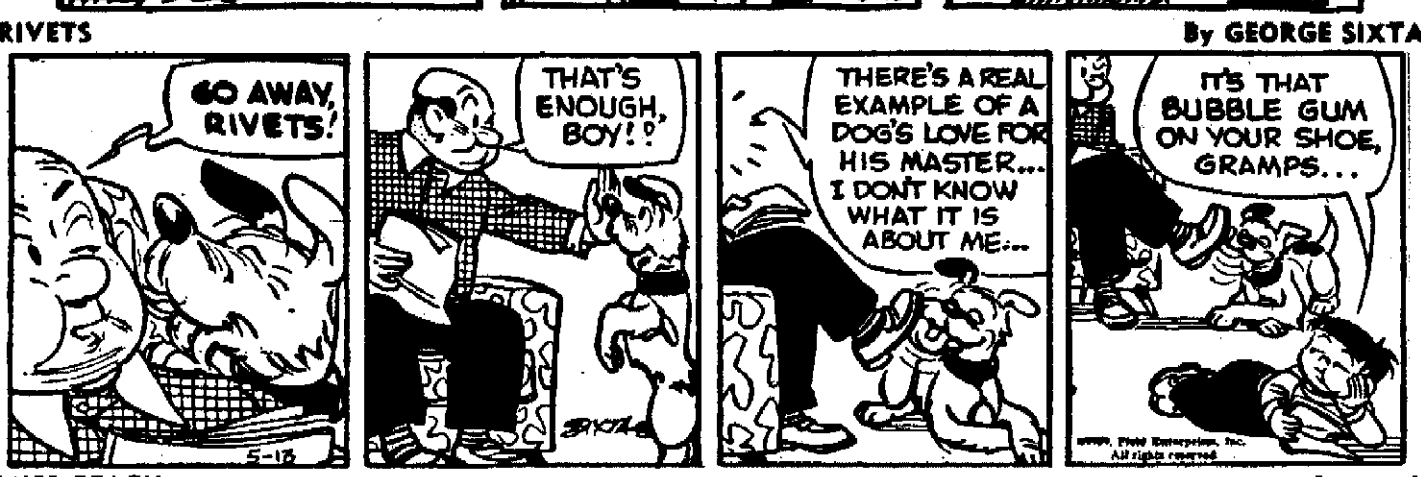

The Brillion High school band received a second place rating at a music festival in New Holstein. The junior band won a fourth.

Second place ratings were won by the mixed chorus and the freshman girls glee club.

Top ratings were won by the Chilton band, glee club and mixed chorus.

Plans CARE Project

Royalton — The Royalton Community Grange will send CARE packages to needy countries as a community service project.

Faces Rehearsing In Murder Trial

Tokyo — The Tokyo district court Tuesday ordered a rehearing in the trial of American businessman Joseph P. Crowley, formerly of Shorewood, Wis., accused of killing his brother-in-law.

It set the new hearing for Friday, May 15.

The court did not explain its order that the "hearing shall be reopened."

The defense delivered its final arguments Feb. 20 and was awaiting the verdict when the court suddenly called in the defense counsel and the prosecutors to announce the decision for reopening the trial.

Crowley, 49, a former Yale university football player and businessman from New Haven, Conn., was charged with the Japanese equivalent of manslaughter in the death of T.A.D. Jones, Jr., 45, here May 8, 1958. They were in Japan on a business trip.

Crowley pleaded innocent. His trial lasted 7 1/2 months.

Committee Backs States Rights Bill Aimed at High Court

Washington — Southerners and their allies on the house judiciary committee overrode its leadership and approved Tuesday a states rights bill aimed at a supreme court decision.

The bill by Rep. Howard Smith (D-Va.) would declare that no act of congress supersedes a state law unless congress specifically declares its intention of doing so or unless the laws are clearly incompatible.

It was inspired by a supreme court decision voiding conviction of a communist under a Pennsylvania sedition law. The court held that a federal anti-subversive law, which also had been introduced by Rep. Smith, had preempted the field.

The vote at the closed-door committee meeting was reported to be 17-15 to approve the measure.

The bill is opposed by the department of justice on the ground it would create confusion in fields such as transportation where both the states and the federal government have legislated.

Look and Learn

BY A. C. GORDON

- Where is the largest sports arena in the world?
- Where does the earth rank among the planets in distance from the sun?
- In what human gland is iodine normally found?
- What was the name of the first political party in the U.S.?
- What are the better-known American names of the hedgehog and the groundhog?

ANSWERS

- The Municipal Stadium, Rio de Janeiro, Brazil, with a seating capacity of 155,000.
- Third.
- The thyroid gland.
- The Federalist Party.
- Porcupine and woodchuck, respectively.

Red Cross Plans First Aid Course

Manawa — Mrs. Ruth Lightfuss, Waupaca chapter Red Cross first aid chairman, will conduct a class for ladies at the city hall at 7:30 p.m. Tuesday. The class will be held for two hours each week for five weeks.

Lesson in English

BY W. L. GORDON

Words often misused: Distinguish between all together (two words, meaning in concert) and altogether (one word, meaning wholly). Thus: "They sang all together, which was altogether unusual."

Often mispronounced: Miscreant. Pronounce miss-kree-ant, accent on first syllable.

Often misspelled: Engineer and racketeer; both ending in "eer." Bombardier and gondolier; both ending in "ier."

Word study: "Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day.

Today's word: concomitant (noun); that which accompanies (accent second syllable). "The concomitants of war are horrible."

FFA Clubs, 4-H Combine In Contests

**Rag Doll Tester
Wins First Place;
Pasture Plan Next**

Omo — Six demonstrations were entered in the county 4-H and FFA contest held at the Omo High school agricultural room Monday night with competition divided into junior and senior age groups.

Winner of a blue ribbon and \$5 cash award in the junior team demonstration for those 13 years or younger were Larry Basel and James Haedt of the Smile-A-While 4-H club of route 1, Omo, for their rag doll tester.

John Kromm and Michael Johnson got a red ribbon and \$3.50 award for their demonstration on "Better Pasture Program" and John Anderson and Billy Romberg a red ribbon and \$2 award for a demonstration on "Insects." These four were from the Winchester 4-H club.

Only Oshkosh FFA chapter teams were entered in the senior team division. First place and \$8 went to William Nolte and William Glatz for a demonstration on "This Can Happen to You." Second place and \$5 were won by Ronald and Darrell Koplitz for a demonstration on "Let's Feed 'Em Better."

Joe Stadtmueller and Lee Bellanger received third place and \$3 for a demonstration on "Have Your Soil Tested." Judging was by Larry Blackburn of Berlin High school and Ray Hoelt of Omo High school was the master of ceremonies.

No entries were made in the individual contests. The 4-H and FFA have been holding the combined demonstration contests for 12 years.

Name GOP Committees

**Winnebago Board
Appoints Chairmen,
State Delegates**

Oshkosh — Appointments of committee chairmen for the Winnebago county Republican party were confirmed by the executive committee Monday night at Alex's Town House here. Appointments were made by the new county chairman, Robert Wollangk.

Myrtle Zimmerman, Winnebago, will be entertainment chairman and Gordon Radatz and Robert Macke, Jr., both of Oshkosh, will be the membership co-chairmen. Carl E. Steiger, Oshkosh, was named finance chairman and Mrs. Norris Krohn, also of Oshkosh, will be activities chairman.

Appointments of Winnebago county persons to the state Republican convention committees for its meeting at the Green Bay arena June 6 are Kenneth Holmes, Menasha, on the credentials committee; Calvin Mace, Menasha, and Mrs. Krohn on the resolutions committee and James V. Sitter, Oshkosh, on the rules committee.

Assemblymen Harvey Abraham and Floyd Shurbert spoke on pending legislation at Madison and Jack D. Steinhilber reported on the state YGOP convention at Madison last weekend.

The county is entitled to 73 delegates and a like number of alternates at the Sixth district caucus at Sheboygan this evening.

Gaston Garnier Loft Gains First In Weekend Race

Menasha — A bird from the loft of Gaston Garnier of Oconto Falls placed first in the weekend Valley Flying Pigeon club race from Sparta. The winning time was 1:43.10 yards per minute.

Rene Behrendt's loft was second in 1:26.43 with the Marv and Henry VanOudenhoven loft third on 1:26.41.

Other leading finishers were Walter Dombroski 1:26.59; Behrendt 1:28.13; R. Bernard 1:24.06; Al Borree 1:20.96; Joe Schreiber 1:20.03; Ralph Frank 1:19.15; G. Kaniess 1:18.60; Fritz Reuter 1:15.63; Bernard 1:12.28; Reuter 1:11.63; W. Sager 1:10.55; Ron Griesbach 1:10.05.

R. Natrop 1:09.80; John Sokel 1:09.45; G. VanOudenhoven 1:09.40; H. Fritsch 1:08.15; Sager 1:08.08; G. VanOudenhoven 1:08.50; Sokel 1:08.50; R. Burroughs 1:08.75; R. Bodee 1:08.80; R. Sokel 1:08.42; and C. Bodee 1:04.60.

Twenty lofts with 254 birds competed. Next weekend's race will start at Rochester, Minn., a distance of 200 air-line miles.

Loses His Head

Nogales, Ariz. — A burglar broke into the Nogales home of Frank Morris. Reported missing — one souvenir aluminum head.

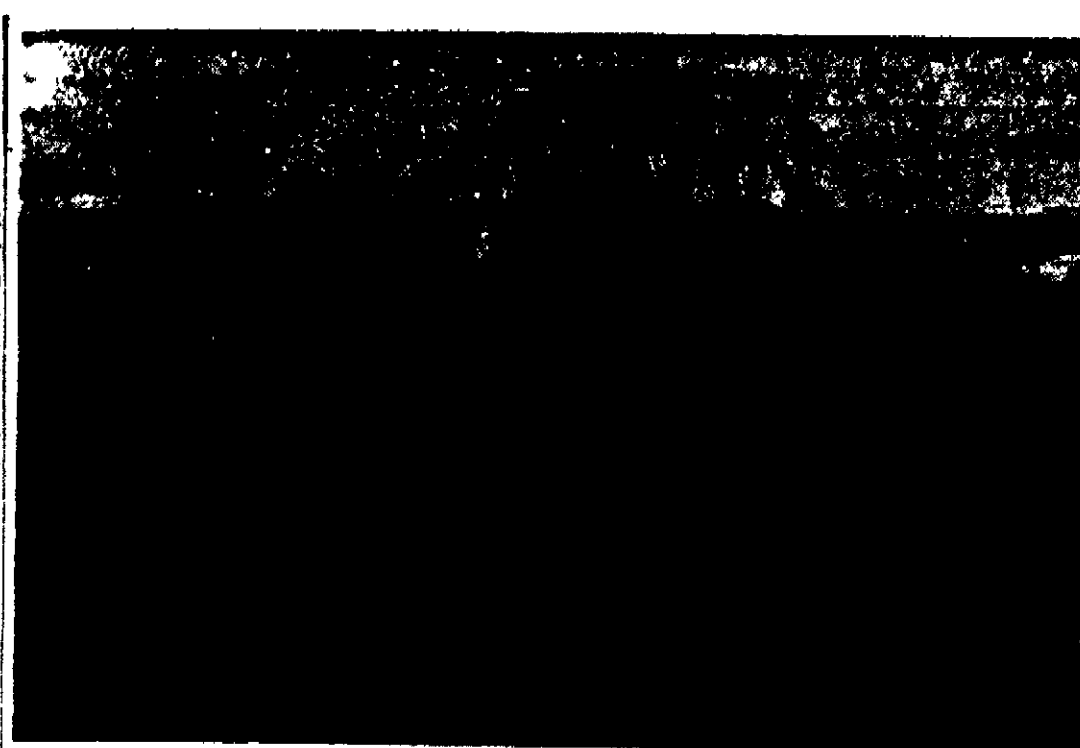

K-C Workers Safer on Job Than at Home

Neenah — Kimberly-Clark employees are 15 times safer at work than at home or on the highways, according to a survey by Robert W. Wood, manager of corporation safety services.

Company safety records in six representative plants throughout the United States and Canada show 17 accidents against 250 disabling injuries off duty or away from work. The six plants employ a total of 7,445 persons.

The current issue of "Cooperation," company employee magazine, urges through an illustrated article to "Make Safety a 'Take Home' Benefit Too" because "if you suffer a lost time disabling injury, the chances are 15 to 1 that it will be off-duty rather than on duty."

The overall frequency rate

More Than 58,000 Trees Were Planted on 34 acres surrounding the general office building of Marathon Division of American Can company. Mechanical tree planting methods were used by crews from Marathon's lake states woodlands department in the planting.

for Kimberly-Clark plants is hours worked, as compared per industry frequency of 283 accidents per million man with a national pulp and paper.

Marathon Plants 58,000 Trees Around New Office

Neenah — Crews from the Lake States woodlands department of the Marathon division of American Can company have completed the tree planting of 58,000 trees on 34 acres surrounding Marathon's general office building here.

The tree farm was planted principally on the west side of the building extending to the Chicago and North Western Railroad tracks. Selective planting was also done along the roadways to the office building and Marathon's Neenah plant from Byrd avenue.

Marathon acreage extends south from Cecil street to Marathon street. The trees will border land recently offered by Marathon to the city for park use.

Secured from the Institute of Paper Chemistry, Appleton, two new species of aspen were among the trees planted. One hundred trees are a cross between a big tooth and trem-

Costumes for All Occasions were modeled by 24 high school girls Tuesday night when they appeared in "Sundartimes," a style show presented by Tri-Y clubs of the Appleton YMCA in the Terrace room of the Lawrence college union. At right, Sue Argust models a checkered sports outfit, while at left below, Alice Dillon wears a "south of the border" casual ensemble complete with matching purse and straw hat. In lower right photo, Sue Hatch displays a black "town" shirtwaist, with smart white accents, as she walks down the models' ramp. The teenage models were selected from the participating Tri-Y clubs.

College Concert Band to Present Modern Program

The finale to a busy year for the Lawrence college concert band will be a program of contemporary music at 8:15 p.m. Sunday in the Memorial chapel. Featured will be works by Walter S. Hartley, Bernard Rogers, Percy Aldridge Grainger and William Schuman. Directed by Fred G. Schroeder, the 80-piece organization has performed in the state on its winter tour as well as in a convocation program and band clinic on the campus.

Schroeder and the band were hosts to Wisconsin high school music teachers in November when a clinic was held to introduce them to new works for the state music festival.

Appleton Century Club Opened Its 1959-60 formal dinner dance season Saturday night at Riverview Country club. Among party-goers who gathered at the club, from left, are Dr. and Mrs. James Gmeiner, Dr. and Mrs. John Van Gilder and Dr. and Mrs. Robert DeCock.

In Good Taste Incident Over Cake Frosting

BY EMILY POST

Dear Mrs. Post: At a lunch party last week the hostess served a very delicious homemade cake with a special frosting. (A recipe for which she is noted.) One of the women present scraped all the frosting from the top of the cake before eating it. We were horrified at her behavior and thought her very rude. When I related this incident to a friend she said she saw nothing wrong with this. Will you please give me your opinion of such behavior?

Answer: She was probably on a sugar-free diet and could not eat the frosting. It would have been better, however, had she eaten the cake with a fork and left the frosting on her plate, instead of scraping it off before eating the rest.

Chicken Best

Dear Mrs. Post: My daughter is going to be married shortly and we are having a wedding dinner after the ceremony for about 100 guests. In making arrangements for the dinner, we were told that we could have either chicken or roast beef. Should we decide on one or the other beforehand, or should a request be made on the reception cards enclosed with the invitations, asking the guests to designate their own choice?

Answer: You decide beforehand, and chicken will be better for your wedding dinner than roast beef.

Car Seating

Dear Mrs. Post: I would like to know what is proper when three people ride in the front seat of an automobile with the husband as the driver. Does the wife sit next to him and the woman friend next to the door, or vice versa?

Answer: It is more polite for the wife to take the less comfortable middle seat and let their guest have the choice one next to the door.

1959 Winter Tour

The 1959 winter tour took the band to high schools in the Milwaukee area, Janesville, Elkhorn, Cambria, Menasha and Clintonville. Public concerts were given in Racine, Menomonee Falls and at the St. Norbert's Fine Arts festival in De Pere.

A number of Fox Cities students will be participating in Sunday's program. They are: Marjo Smith, West De Pere, oboe; John Bauerlein, 1353 W. Lawrence street, clarinet; Helen Grosnick, Oshkosh, clarinet; Carl Nebel, Menasha, clarinet; Nancy Sullivan, Oshkosh, bassoon; Gerald Brinker, 1825 N. Appleton street, string bass; Donald Tyrivier, Neenah, tenor saxophone; Sam Ostwald, Oshkosh, cornet; Thomas Christie, 536 N. Drew street, trumpet; David Wenberg, De Pere, trumpet; Lawrence Strieby, 616 E. Circle street, horn; James Mattern, Menasha, trombone; Jeffrey Klenke, Menasha, tuba; and Peter Saecker, 414 N. Union street, percussion.

Prince Mohamed Engaged to Wed Lebanese Girl

Beirut, Lebanon — Prince Mohamed, son of Saudi Arabia's King Saud, has won the contested hand of a late Lebanese premier's daughter.

Mohamed, 26, became engaged yesterday to Lamia Solih, 23, Paris-educated daughter of the late Riad El Solh, ending a romantic rivalry that had Arab society buzzing.

Mohamed won out over Crown Prince Moulay Hassan of Morocco, who reportedly only recently got his royal father's consent to seek Lamia's hand.

Lamia's sister Mona is married to Saud's brother, Prince Talal, and there was talk two years ago that the 56-year-old Saudi king himself had sought the hand of a cousin, Ferial El Solh, then 19. The story went that Saud's mother scotched that match.

Enjoying Dancing, From Left, Are Dr. Jack R. Benton and his partner, Mrs. Johannes Van den Akker, and Fred Eustice and his partner, Mrs. Vilas Gehin, right.

Three Attend State Church Meeting

Clintonville — The Rev. Kenneth L. Kuebler, Mrs. John Buehrens and Mrs. Ruth Guyer are attending the Wisconsin Congregational conference for 1959 at the First Congregational church of Madison. They are delegates of Christ Congregational church.

The conference began on Tuesday and continues through Thursday.

Mrs. R. E. Ramsey League President

Mrs. R. E. Ramsey was elected president of the Pan American league Monday afternoon when the group met at her home, 1410 E. Glendale avenue, for a potluck luncheon and final meeting of the year.

The new president, who succeeds Mrs. H. A. Downey, will serve a 2-year term. Other officers, also elected for two years, are Mrs. S. F. Darling, first vice president; Mrs. Charles Young, Neenah, second vice president; Mrs. Sara Baker, secretary, and Miss Hilda Kippenhan, treasurer.

Slate was presented by Mrs. William Bryant on behalf of the nominating committee, including the Mmes. Lena Struck and J. P. Danielson.

The women will hold their next formal meeting in October but will stage a series of informal benefit coffees and

Tell Troth of Nancy Johnson

Honor Teachers At Faculty Tea

St. John's High school faculty who are leaving the faculty this year were honored at a tea in the Early American room Monday afternoon. Among those leaving were Miss Catherine Spruce, head of the home arts department, who is retiring.

Miss Spruce has been a member of the faculty during most of her teaching career. She taught in the "old building" and planned the rooms to house the home economics in the present senior high school building.

Others leaving are two who are transferring to other schools in the system. Harold "Pete" Brice who has been a member of the social studies department and has had charge of audio-visual aids will move to Morgan school where he will be director of audio-visual aids. He replaces Robert Kenney, who has resigned to continue studying medicine.

Hoks Transferred
Emmett Hoks, a member of the science department who has been teaching biology this year, is being transferred to James Madison Junior High school where he will teach general science.

John Landis, who has been with the AHS faculty for several years as a member of the mathematics department, has resigned to accept a fellowship to the University of Minnesota graduate school.

Other resignations on the faculty are those of Miss Sue Kelly of the English department who is being married in June and will live in Duluth, Minn., and Mrs. Julie O'Keefe, school nurse, who is leaving to live in Florida.

H. H. Heible, principal, pres-

ented each with a gift as a token of remembrance from the AHS faculty. Pouring at the table were Miss Mary O'Leary of the home arts department and Miss Adela Klumb, head of the English department.

Housemother to Be Honored by Lawrence Men

A reception honoring Mrs. Robert Lindsey, retiring after thirteen years as housemother of Sigma Phi Epsilon fraternity on the Lawrence campus, will be held from 2 p. m. to 4 p. m. Sunday in the Riverview lounge of the Memorial union.

Faculty, administration, and students of the college as well as personal friends of Mrs. Lindsey have been invited by the fraternity members, sponsors of the event. Sigma Phi Epsilon alumni from the vicinity are also expected to attend.

John Wurster, Pocatello, Idaho, president of the Greek group, is in charge of the arrangements. Members of his committee include Geoffrey Bowen, Grinnell, Iowa; John Peters, Janesville, and John Cooper, Kankakee, Ill.

Brownies Hold Fly-Up Ceremony, Mother's Tea

Mothers were presented with corsages fashioned by their daughters when Brownie Troop 259 of St. Theresa Catholic school held a fly-up ceremony and tea Friday at St. Theresa school. The girls received wings, scout pins, year and world emblems during the investiture service.

Mrs. Robert Weigand, leader, is assisted by Mrs. Douglas Dempsey and Mrs. Jerome Kavaney.

Marriage Licenses

Marriage license applications have been made at Outagamie County Clerk Mollie E. Pfeiffer's office by James H. Riehl and Verna M. Reimers, both of route 2, Shiocton; Donald P. Fox and Jean A. VandeWettering, both of route 2, Kaukauna; Gerald E. Glasheen, 381 W. Third street, and Colleen A. Diedrich, 308 Dixon street, both of Kaukauna; James C. Booth, Shiocton, and Verla A. Conradt, route 2, Shiocton; Norman E. Rohm, route 1, Seymour, and Linda L. Ruch, route 2, Seymour; David J. Jacobs and Evelyn D. Feldkamp, both of route 3, Kaukauna.

Marvin Biese Claims Bride in Ceremony

Miss Patricia Ann Krautkramer became the bride of Marvin Benedict Biese, route 1, Greenleaf, at 9:30 a. m. Tuesday at St. Paul Catholic church, Wrightstown.

The Rev. Cyril Kabat, uncle of the bride, officiated at the double ring ceremony, assisted by the Rev. August Brockman Dearow and the Rev. Melvin Wierzbicki.

Parents of the couple are Mr. and Mrs. Walter Krautkramer, route 1, West De Pere, and Mr. and Mrs. Aloysius Biese, route 3, Kaukauna.

Matron of honor was a sister of the bride, Miss Ruth Krautkramer. Bridesmaids were the Misses Donna Rietz, Janet Huttsen, Bonnie Krautkramer and Marie Biese.

Best man was Mark Biese brother of the bridegroom. Groomsmen were Kenneth Krautkramer, Gerald Biese and Arnold Connen. Ushers were Jack Van Asten and Francis De Cleene.

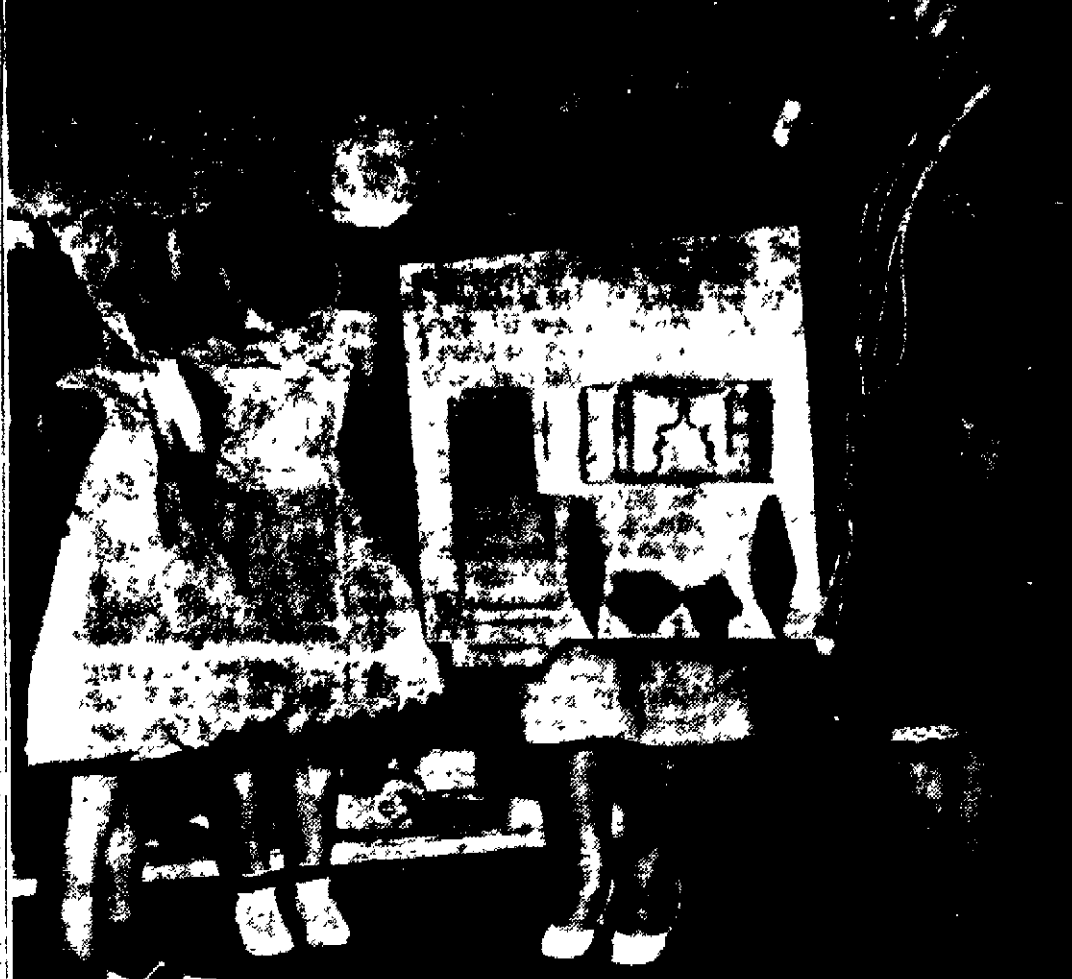

A dinner was served at the home of the bride's parents, and a supper and reception were held at Van Abel's, Hollandtown.

After a wedding trip in the

Parties, Inc., Sets 'Country Capers' Event at Neenah

Parties, Inc., will stage its second party of the season, "Country Capers," at 8:15 p. m. Saturday at Raveno ballroom, Neenah.

Mr. and Mrs. Hal Abramson, dance chairmen, are being assisted with arrangements by Mr. and Mrs. Ted Cates, Mr. and Mrs. Al Ziven, Mr. and Mrs. Milton Liess, Mr. and Mrs. Robert Swimmer and Mr. and Mrs. Rudy Cherkasky.

The Mother and Daughter Banquet Monday evening at the St. John Evangelical and Reformed church is among many being given in the Fox Cities. The girls at the left were Maypole dancers. They are Donna Jean Hertensteiner and Marilyn Bock. Second from right and right are Mrs. John Mayefski and Mrs. Donald Montour, who modeled in a mock style show. They wear a house dress and sack dress.

Your Problems

Irate Woman Expounds About Selfishness of Her Husband

BY ANN LANDERS

DEAR ANN: I've been married 16 years and we have four nice children. I don't have to tell you how fast kids go through shoes, winter coats and a cough medicine. As for myself, I haven't had a new dress in three years.

I'm handy Ann Landers with the sewing machine and make things over I change collars and cuffs and use every trick in the book to look presentable.

I'm writing about my husband. I know I'll never be able to change him — I just want to let off some steam.

He's a tool and die worker, so both of us are old enough to make a mature decision. I was always under the impression that the bride and her family set the plans for the wedding since they pay for it and the bridegroom should not interfere. Am I right? Please tell me what to do about this little cousin problem. — Snag No. 1

Dear Snag: Truly, the bride and her family set the plans, but since the bride has to live with the bridegroom, after the guests have gone home, it helps if they're on speaking terms. I suggest you invite to the wedding all the "little cousins" on both sides, 10 years of age and up, but not to the reception. "Watchers" should be strategically placed in the church, and at the first sign of disturbance, the child or children should be removed. This ought to satisfy everyone.

Now that we've broken up I'd like to have that gift back. She's only 18 but don't you think her family should have the decency to see that the gift is returned? I sure hate to ask for it but I don't like paying on a dead horse either. What do you think of these collectors? — Disenchanted

Dear Disenchanted: So long as there are chumps like you around — there'll always be "collectors". Barnum was right. There's one born every minute — and two to take 'em.

The gift is hers. You gave it to her in good faith. She's entitled to keep it.

DEAR ANN: My fiancé and I plan to be married within the year. I'm having a real problem with the wedding plans.

There are 27 adults on his side of the family that must be invited. On my side there are about 100. He feels we should invite all his little cousins. I don't want anyone there under 16 years of age.

He says if his cousins aren't included then parents won't attend. I say this is old country stuff. He's 23 and I'm 22.

Mother, Daughter Event Held

A mother and daughter banquet was held Monday evening at the St. John Evangelical and Reformed church. Toastmistress was Mrs. John Seidler.

The toast to the mothers was given by Cindy Winheim and Mrs. Kenneth Winheim extended a toast to the daughters.

Community singing was led by Miss Freda Kopplin and pianist was Mrs. Vernon Zimmerman.

Some of the younger daughters, Gail Scherke, Rita Marks, Donna Hertensteiner, Diane Williams, Marilyn Bock and Carla Maynard, presented a Maypole dance.

Mrs. John Kippenhahn and Mrs. Lulu Schulze performed in a whistling duet.

A mock style show featured models, the Misses John Mayefski, Donald Montour, Robert Guenther, Donald Kaczor, John Marschall, Charles Eggenberger, Wilbert Christen, Robert Herrmann and Pamela Eggenberger.

'Circus Capers' Theme of WW Spring Dance

"Circus Capers" is the theme chosen for the annual Welcome Wagon spring dance from 9 p. m. to 1 a. m. Saturday at Cinderella ballroom. Members of WW newcomers club and Civic League have been invited to attend.

The Misses Robert Duncan and Ronald Anderson are serving as co-chairmen of the ticket committee. Working on decorations with Mrs. James Barton, chairman, are the Misses Curt Baier, Paul Gerigh, Roger Kerstner, Joseph Lemberger, Fred Matthews, D. W. McKinnon, Ronald Metz, Eldor Peapenburg, Charles Varker and William Weggel.

The answer is small and shadowy, if you would wish to look the same. A tall, willowy figure is needed to carry off splashy, definite patterns. For

Campus Club Schedules Annual Spring Dinner

More than 110 members of the Campus club, made up of faculty and staff people of Lawrence college and the Institute of Paper Chemistry, will gather at 6 p. m. Thursday in Colman hall on the Lawrence campus for its annual spring dinner.

Principal entertainment for the evening will be the showing of 104 colored photographic slides, all contributed by members, in a contest which will be judged by the whole club. Leonard Weiss of the geology department will also show slides of an eclipse of the sun. Music for the evening will be furnished by Inge Weiss, coloratura, and Marguerite Schumann, dramatic soprano, who will sing duets to the accompaniment of Daniel Smith. They will perform folk songs of Italy and Germany, along with an operatic selection.

Mrs. Douglas M. Knight is general chairman of the event, assisted by committee members Mrs. George Walter, Mrs. Merton M. Sealts, Mrs. Carl Piper, Mrs. Robert Gillespie and Mrs. Arthur Lathrop. Entertainment has been

A Lovelier You

By Mary Sue Miller

There's going to be a lot of a petite, a dainty but forthright print can be recommended. Moderately sized and spaced, a print is just right for an average figure.

Now that flattery is figured for you, why not break out in print? It's a gay, fun and practical move in the good old summer time!

15, 20 Places Under Study by Club Women

New London — The community council, formed by the New London Woman's Study club, will focus attention on between 15 and 20 places in New London where improvements are needed during the April 19 meeting of the city council.

The committee has taken a number of photographs to show undesirable situations. The original committee met last week with about 20 representatives of various New London organizations to get suggestions for ways of improving the looks of the community. Most of the areas center on the banks of the Wolf river.

Eddie and Liz Fly to Spain for Honeymoon After Jewish Rites

Hollywood —(AP)— Eddie Fisher and Liz Taylor, the Romeo and Juliet of the jet age, winged today toward a honeymoon in Spain.

The famed newlyweds spent their wedding night Tuesday sitting up in a jet airliner speeding from Los Angeles to New York.

They had to spend a few hours between planes in New York before they could board another non-stop flight to Madrid. There they are to take a charter plane for Barcelona, where a honeymoon yacht will meet them.

Coastal Trip
The cruise will be a leisurely 10-day trip up the north-east coast of Spain, with occasional stops at fishing villages — where the honeymooners probably won't be recognized.

"And that's all right by us," the two chorused as they boarded a plane at Las Vegas, Nev., for Los Angeles Tuesday night.

Fisher said he was so nervous and happy that "I don't need a plane to get me there."

Busy Day
His schedule in Las Vegas was at jet speed, but on the ground. At 1:30 p.m., he left his suite at the Tropicana Hotel and joined the Jewish War Veterans, Las Vegas branch, in a brief ceremony at the hotel's front door.

Then a limousine sped him to the county courthouse, where in 104 minutes he got a Nevada divorce from actress Debbie Reynolds, alleging mental cruelty.

A quick phone call brought Liz to join him in the marriage license bureau across the hall from the divorce court. Then, 34 hours after the divorce, the two were wed in brief Jewish rites performed by two rabbis in a residential area synagogue.

Champagne Reception
A limousine then hurried the two past 200 fans outside the synagogue and on to the bride's \$500-a-week rented ranch.

There champagne corks popped furiously for a hasty reception. Next the couple hurriedly gathered up their luggage and passports and were off to the airport.

The plane took them to Los Angeles to meet the jet for New York. While their 19 pieces of luggage were shifted to the jetliner, the newlyweds waited in an office at the airport.

Then they posed for more pictures, waved to a crowd of 100 fans, and headed east.

Eddie Fisher Gives His Bride of five minutes, Elizabeth Taylor, a kiss as they pose for photographers in a Jewish synagogue Tuesday. Earlier in the day, Fisher obtained a Nevada divorce from Debbie Reynolds to pave the way for his marriage to Liz.

House of Dior to Invade Moscow Fashion World

Paris —(AP)— The House of Dior, pace-setter in women's fashions for the western world, is going to invade Moscow next month.

"There's a lot that can be done for Moscow's woman in the street," said Jacques Rouet Dior, director general of the fashion house who recently returned from a week in

the Soviet Union. "Their style shows different taste. But there is a sack style influence."

The Soviet Chamber of Commerce invited Dior to present its spring and summer collection in Moscow June 12-16. Yves Saint Laurent, the young designer who took over after Christian Dior's death, will stay at home to work on the fall and winter collection.

This will be the first official French fashion show in the Soviet Union for more than 40 years. There will be 12 Dior models and 120 different outfits.

British, Italian and Polish fashions already have been presented in Moscow. American styles will be shown there for several months during this summer's exposition.

Dior emphasized he is not going to Moscow to sell. "The purpose of this trip is prestige," he said. "It is also cultural and to show what we are doing."

Mother's Helper

By Helmina & Pearson

A GOOD in-bed project is the making of a mobile. Suspend a cross-barred hanger where your child can reach it easily. Then she can color and cut out shapes and figures from cardboard or construction paper, run a thread through them and tie them to the hanger.

Pitchblend Core Obtained At Big Falls

Big Falls—The Little Wolf Mining and Minerals, Inc., has obtained the first pitchblend core extracted in the state.

The core of ore and rock was developed in exploratory operations at the firm's claim east of the village. A special core drill is being used.

George Friedrich, Menasha, firm president, said a drilling 171 feet deep revealed four pitchblend veins. It is assumed through earlier tests the main vein will be struck at a 35-foot level.

Within a 371-foot area of the claim, Friedrich said, 65 outcroppings of veins have been detected on the surface.

The company, formed by Fox Cities men, plans to develop the Big Falls claim and other claims in which it has interest with a view of establishing an ore processing plant at Big Falls.

The core apparatus picks up samples of the material through which it drills.

Taxpayers to Hear Talk on Revival of Town Hall Approach

Revival of the town hall approach to government will be subject of the principal speech at Monday's annual meeting of the Appleton Taxpayer's association.

Speaker for the 6:30 p.m. dinner meeting at Stroebe's Island Haven resort will be Arch Ely, executive director of the Public Expenditure Survey of Wisconsin.

Ely, a 1925 graduate of Marquette university, worked as a newsman in Chicago, Racine and Milwaukee for 15 years before joining the PES staff.

He also has served as a consultant to the Wisconsin commission on Hoover commission findings, a special taxpayers committee on the state budget

and the Wisconsin committee on state-owned, tax-supported television.

The meeting is open to the public. Reservations can be made by mail to Wesley M. Kolbe, reservations chairman.

Youth Denies Driving Too Fast for Conditions

Thomas J. Eisch, 17, of 4425 W. Spencer road, Tuesday in municipal court denied a charge of driving too fast for conditions and posted \$28.95 bond for trial May 19.

Eisch was arrested by Appleton police after he started a car at Spring and Richmond streets, turned on Richmond and left 90 feet of skid marks. Eisch told police he was driving a friend's car and wasn't used to it.

Firemen Find Plenty Of Smoke, No Fire

Sterling, Ill. —(AP)— Where there's smoke there is fire didn't prove out for Sterling firemen who chased a smoking truck down the street.

The truck had blown a head gasket and the engine was burning oil.

Two Drivers Charged in 41 Collision

State Police Say One Drove Too Fast, Other Turned In Front

Jack J. Miron, 23, of 237 Kamps avenue, Kimberly, Tuesday in municipal court was fined \$15 and charged three points for driving too fast for conditions.

An accident involved will cost him three more points. The other driver, not involved in the actual crash, was charged with failing to yield the right-of-way in making a left turn. Peter F. Dorschel, 46, Green Bay, denied the charge and posted \$18.95 bond for trial June 17.

Illegal Passing
Charged four points each for passing illegally were Jerome D. Euler, 18, Deer Brook, Ill., \$13.95 forfeited; Fred E. Alford, 64, Waukegan, Ill., \$40 fine, jailed for seven days when he could not pay it; Robert H. Putman, 44, Green Bay, 46, Pewaukee, \$28.95 forfeited; and George A. Pritzl, 33, route 3, Appleton, \$15.

Robert H. Lillge, 17, route 3, Appleton, was ordered to pay \$3.95 court costs and his driver's license was revoked for 30 days for illegal passing.

Charged three points each for driving on the wrong side of the highway were Delbert H. Hoffman, 27, Gresham, \$25 fine; Milo L. Retzler, 39, route 1, Black Creek, \$15 fine, and Richard L. Schowengerdt, 29, of 762 Pleasant lane, Menasha, \$25 fine, plus \$10 fine and four points for driving without a driver's license.

Hubert A. Meyer, 63, Plymouth, denied driving on the wrong side and posted \$18.95 bond for trial June 17.

Both Charged
Both drivers were charged after Miron's car skidded into the path of an oncoming car at Highway 41 and Meade street April 23.

Raymond F. Wennesheimer, 41, route 1, Oneida, was fined \$10 and charged four points for driving without a license and forfeited \$28.95 and was charged three points for failing to yield the right-of-way.

Charged three points each for ignoring stop signs were Rheinhold A. Nettekoven, 18, route 2, Black Creek, \$10 fine, Robert C. Chesbro, 22, Stevens Point, \$13.70 forfeited.

No License
Mrs. Ruby L. Miller, 221 N. Richmond street, was fined \$10 for allowing her 17-year-old son, William, to drive.

William was ordered to pay \$3.95 court costs and will not be able to obtain a license for 30 days for driving without one.

Joan A. Schneider, route 3, Kaukauna, charged with driving without a license, was given two weeks to get a license and the charge will be dismissed.

Loris F. Behm, 24, Hortonville, was fined \$25 and charged four points for passing a school bus stopped for children.

Charged with vehicle registration offenses were Daniel L. Gottschalk, 19, of 2124 E. College avenue, \$5 fine; Peter L. Keating, 19, of 1912 N. Erb street, \$10 fine; Henry Hazen, 69, Bridge street, Manawa, \$5 fine, and Edward Lemke, 22, Oshkosh, \$5 fine.

Sign Bill Designed To Aid Sen. Johnson

Austin, Texas —(AP)— Gov. Price Daniel signed into law yesterday a bill boosted to help Sen. Lyndon B. Johnson win the Democratic presidential nomination.

The measure shifts party primaries from July and August to May and June. It allows Johnson to run for reelection before trying for the nomination at the July 1960 national Democratic convention.

Norbertine To be Ordained At Green Bay

Father Muelemans To Say First Mass At St. Therese

De Pere, — A former Appleton man will be one of four Norbertine canons and 10 Green Bay diocesan clerics who will be ordained Roman Catholic priests in St. Francis-Xavier cathedral, Green Bay, by Bishop Stanislaus V. Bona Saturday, May 23, at 10:00 a.m.

He is Father Martial T. Meulemans, O. Praem., of St. Norbert abbey, De Pere, the son of Mr. and Mrs. Frank D. Meulemans, 1113 E. Jardin street, Appleton. Father Meulemans was born in Appleton and was graduated from St. John grade school in Little Chute. He received his academic diploma from St. Norbert high school in West De Pere. Vested in the Norbertine habit Aug. 28, 1952, he professed his simple vows of poverty, chastity, and obedience two years later and pronounced solemn perpetual vows Aug. 28, 1957.

In June of 1956 the new priest received his Bachelor of Arts degree in philosophy from St. Norbert college and in the following September began his theological training and also teaching part-time at St. Norbert high school. He has completed three summers of graduate work at the University of Wisconsin.

Father Meulemans will celebrate his first solemn mass

on Sunday May 24th at 10:30 a.m. in St. Therese church, Appleton, and solemn benediction at 2:30 p.m.

A semi-public reception will be held in St. Therese school hall from 3 to 5.

2 Ask Zone Changes Near Appleton

The Outagamie county board Tuesday took the zone change requests under consideration.

Leon Wasserbach asked to change property at Highways 10 and 76 from agricultural to commercial so that a drive-in stand could be built. The land is in the town of Grand Chute.

Edward Vanden Boogaard asked to change his land on County Trunk Z, town of Buchanan, about 1 of a mile east of Appleton, from agricultural to commercial so he can build a store to sell dairy products.

Appointment of Robert H. Frailing, 33, of 1129 W. Spencer street, as an Appleton police department detective was confirmed Tuesday by the fire and police commission. He replaces Vilas Burmeister, who was made juvenile aid officer.

James R. Joyce, 1001 S. Mason street, Tuesday was elected president of the fire

and police commission, succeeding Carl A. Sherry, 302 E. Washington street.

Kurt A. Koletzke, 323 E. Summer street, was elected secretary, succeeding Joyce. Under an informal agreement between commissioners, Koletzke will become commission president next year.

Joyce was appointed by the late Mayor John Goodland in February, 1941. Koletzke was appointed by former Mayor Albert C. Rule in May, 1927.

Nelson Gets Referendum Plan On Funds to Improve Ports

Madison —(AP)— Final legislative action was taken Tuesday on a proposal to change the state constitution to permit the use of state funds for port improvements. The proposal now goes to the voters in a referendum.

Concurrence in the senate-approved resolution was by an 81-12 vote in the assembly. The proposal cleared both houses of the 1957 legislature and its adoption this session was urged by Gov. Gaylord Nelson.

The resolution earlier appeared to be in trouble in the assembly when the commerce and manufactures committee declined to recommend its adoption. The committee vote was 4-4.

The constitutional change question will be on the ballot in April, 1960, under terms of the resolution. It was written by Sens. Carl Lauri, D-Superior; Howard Cameron, D-Rice Lake, and Richard Zaboriski, D-Milwaukee.

The assembly gave first approval to a second proposed constitutional change, this one sponsored by the League of Wisconsin Municipalities. The change would permit cities and villages to condemn land without a jury verdict of necessity. The proposal does not have approval of a prior session.

State to Map Three Plans for Red Star

School Board Names Committee to Study Building

The problems of the Red Star school district, town of Harrison, Calumet county, have been turned over to state officials in the department of public instruction. The officials will draw up three separate plans for district voters, based on cost studies comparing the effect on tax rates. The plans are to build a new 4-room school, maintaining Red Star as an independent district; petitioning for consolidation with Appleton for school purposes only; petitioning for consolidation with Harrison school district (Sherwood school.)

Orville Johann, school clerk, said officials will first consider the district's evaluation (\$1,750,000), and then

draw up building plans within reason for the taxpayer. The state department also will recommend architectural plans.

Johann said state officials told him the previous vote taken was invalid because specific cost proposals had not been made. The district indicated May 6 that it favored building an addition to the present 1-room school.

Site Committee
The school board also appointed a district committee to investigate sites for the school. Members of the committee are Robert Wright, chairman, John Johann, Herman Schriber, Carl Tank,

Norbert Grishaber, Bert Laux and Emil Krummenacher.

Johann said officials recommended that the site committee confer with the Appleton school board to learn where it would prefer having a new school built, planning eventual consolidation. The committee also will confer with state officials.

"Everyone knows that some day we'll be part of the city out here," Johann added. The district is bounded by Lake Winnebago on the south, the city limits on the north, Onelda street on the west and Harrison school district on the east. When state reports are

complete, Johann says he will post the three plans completely, along with the site committee's recommendation, including an option to buy property.

The district then will approve one of the plans. If it again indicates a desire to build, a contract will be let and construction begun, Johann explained. If it desires to consolidate, the school board will circulate petitions for consolidation with either Appleton or Sherwood.

Consolidation must be approved either by the county school committees or all of the municipal boards involved.

Two Speech Specialists Sign Contracts

Two June graduate speech correctionists have been hired to replace speech correctionists who resigned. Supt. of Schools John P. Mann has told the Appleton board of education.

They are Miss Edith Bernhardt and Miss Barbara Strenk. Additional new staff members are Miss Barbara A. O'Brien, Miss Marilyn Sleeman and Ivan Spangenberg.

Wednesday, May 13, 1959 Appleton Post-Crescent C3

Spangenberg will teach instrumental music.

Mann reported that Bernard C. Sullivan, of the Public Expenditure survey of Wisconsin, will appear May 25 to discuss the building cost study.

The board approved Mann's request for three levels of sophomore English, directed by Miss Adela Klumb. An additional drawing course and a junior woodworking course also were approved.

Mann's report on nominations for a vocational school board member to replace Richard Hinz, who died in

April, was sent to the education committee.

Men to be considered are George Hahn, 2721 N. Bennett street, Harold Kramer, 843 E. Glendale avenue, Albert H. Brown, 1811 N. Ulman street, F. James Grist, 24 Winona court, and G. K. Willecke, 1938 S. Bouten street.

Additional study was asked on a request from H. H. Heible, high school principal, that the high school noon hour be shortened 10 minutes.

Heible claimed shortening the break to 70 minutes would not inconvenience youngsters who go home for lunch.

TRAIL OF THE VOYAGEURS
with CHARLIE HOUSE

An 800-mile trek through rugged back country from Montreal to the Fox River Valley is the newest adventure for unpredictable Charlie House.

Traveling by canoe, alone, House's route will be almost identical with that of Jean Nicolet more than 300 years ago.

This trip — in marked contrast to that available now through the new Seaway — will make "must" reading for the entire family.

House's reports start Monday in The Post-Crescent

Waupaca County Agent Joe Walker, left, hoists a bag of seed for planting at the county grain test plot. Looking on at the right is Robert Townsend, a Waupaca county farmer.

Boom and Bust

Government Warns of Cattle Price Collapse

Washington — The agriculture department has issued a new warning about a possible collapse in cattle prices. A livestock situation report said today that a cyclical expansion in cattle numbers has moved into full swing — under the influence of favorable prices. The increase, the department said, is at such a rate that — if it continues — it will end all hope of avoiding the over-expansion that brought distress during the last cycle ending in 1955.

500 Students Take Tour on Conservation

Chilton — More than 500 Calumet county public and parochial school children studied soil conservation practices on a 2-day tour of the Al Reiser farm, south of Chilton.

The tour was sponsored by the supervisors of the Calumet county soil conservation district and the office of F. J. Planagan, county superintendent of schools.

Fifth and sixth graders studied slope, soil cover, soil profiles, plant residues, erosion and contour lines.

Pupils from the upper grades were instructed in they visited Airman and Mrs. farm management, land classification, erosion control and drainage practices soil profiles and processes of soil formation.

Instructors were Ernie Link and Bob Patzer, soil scientists with the conservation service, Lowell Pierce and Orrin Meyer, county extension office and Bruno Zucol and Herb Sims, local soil conservationists.

A tour guide and study sheet were prepared by Don Niendorf, and Miss Pearl Somerville county superintendent. The sheets were given to each student at the beginning of the tour.

Self-Perpetuating

"A cattle price boom tends," the report said, "to perpetuate itself in the short run even though collapse is inevitable in the long run."

It went on to say that unless recent dryness in the northern plains and southwest should worsen, prospects are that cattle marketings will be small enough to prop cattle prices during 1959.

What is needed, officials said, is an upturn in marketings for slaughter. This would slow down the building up of herds on farms and ranges.

Sugar Bush Family Visits in Texas

Sugar Bush — Mr and Mrs. Dale Olesen have returned from Amarillo, Texas where they visited Airman and Mrs. David Olesen and son Jeffrey.

Dean Davis is on a 20-day furlough in Sugar Bush now.

Pfc. Ronald Scott, Fort Riley, Kans. visited at the William Scott home.

Mrs. Esther Schmidt, Clintonville, Vernon Thoma Karl Hoffman and William Kalbus accompanied Harvey Thoma to Chicago. Mrs. Schmidt visited her sisters and their families while the men attended the National Feed show.

Visits Bear Creek

Bear Creek — Miss Rosalie Lehman of Dundas, Minn. is visiting her grandparents, Mr and Mrs. Henry Jarvis.

Illinois Family Ends Leeman Visit

Leeman — Mr and Mrs. William Young and family have returned to Antioch, Ill., after visiting Mr. and Mrs. Edward Pauly.

Mr and Mrs. Leo Boyd have returned to Hopkinsville, Ky., after visiting in the neighborhood.

Albert J. Falks has returned from a visit in Chicago.

Three Calumet Youths Picked for Wisconsin 4-H Club Music Unit

Chilton — Marvin Pagel, route 2, New Holstein, and James Voss, route 2, Brillion, have been chosen to represent Calumet county in the state 4-H band, at state club week in Madison in June.

Pagel is a member of the Chilton Tip-Top 4-H club and a sophomore at Chilton High school. He represented the FFA chapter in the state band last year.

Voss, who plays with the Brillion High school band, is also a sophomore. He is a member of the Shady Lane 4-H club.

This is How a Pea Vinery east of Symco looked to farmers after it was bowled over by a tornado last week. The twister cut a path of destruction along Highway 23 in central Waupaca county.

Bright Future Seen for Co-op

Sales Total \$25.6 Million, Up From Previous Year's Figure

BY RAY PAGEL
Post-Crescent News Service

Shawano—Nearly 600 farmers abandoned their awakening fields to take in the 28th annual meeting of the Consolidated Badger Cooperative in Shawano.

With the spring rush on, they'll be working extra hours the rest of the week to make up the time. But no matter: Milk is their business, and by their attendance they showed their appreciation for the job Badger is doing for them.

Last year, Manager George W. Ruppel told them, Consolidated Badger handled and processed 506 million pounds of their milk. That was a hefty boost of 28 million pounds over 1957.

Sales Up
Sales for the year, Ruppel noted, came to \$25.6 million. That, too, was a substantial

gain from the \$23.5 million reported the year before.

A distinguished visitor applauded.

"Consolidated Badger deserves special recognition for its contribution of leadership to the dairy industry," declared Henry L. Ahlgren, director of extension at the University of Wisconsin.

But Ahlgren cautioned the farmers on several points.

For one thing, they must recognize and appreciate their role in society. They need a better understanding of the community and of public affairs.

Steady Merger
"The day is rapidly coming when most rural people will be non-farmers," Ahlgren predicted. "At the same time we are witnessing a steady, persistent merging of rural and urban communities."

These changes are producing complications in accustomed ways of living, the speaker remarked. They will require adjustments but they also offer opportunities to the farmer for a richer, fuller life.

Agriculture will be an expanding industry, he predicted, in all but one respect. Only the number of people required to operate the farms will decline.

Machinery will enable the farmer to do more with fewer man hours. At the same time, Ahlgren said, production costs will go up and the margin of profit will be shaved. The farmer's inevitable recourse, if he wants to stay in business, will be to expand the size of his operation.

PR Needed
Badger's president, Edmond Engebretsen of Gillett, emphasized that every member should be a public relations officer. Some people, he said, don't like to see Badger grow and are doing their best to knock the organization.

"Tell them the facts and you won't have anything to worry about," the president declared.

Badger members don't have to be worried about vertical integration, Engebretsen observed; they've got it. Through their cooperative they produce, process and market their own milk.

Engebretsen expressed the hope that the near future will see more consolidations and mergers of cooperatives. "It is no good for cooperatives to

Relatives Aid Tornado Victim

Bear Creek—William Knitt, who lost his barn and half his Guernsey herd in last Wednesday's tornado, has been getting help from far and near.

The day after the twister hit, Mr. and Mrs. Donald Knitt and family of Buffalo, N. Y., Leon Knitt of Waverly, Iowa, and the Rev. and Mrs. Carl Knitt and family of Litchville, N. D., arrived at the farm.

The men of Christus Lutheran church, Clintonville, of which the Knitts are members, and neighboring farmers have lent a hand in storing grain and hay and picking up debris.

The Red Cross provided food. Bakery was donated by the Jirschele bakery of Clintonville.

complete in the same area," he asserted.

The financial picture was good a year ago, and is even better today, Manager Ruppel pointed out.

Gross earnings for 1958 amounted to \$938,000, amounting to 14.8 cents per hundred-weight of milk marketed. Total cash payments in extra earnings were over \$300,000.

Net Worth
The co-op's net worth, according to the financial statement presented by A. W. Gast, treasurer, is \$7,638,027.35. Assets come to \$9,738,243.73, compared with \$8,003,214.26 a year ago.

Ten members were cited for milk production. Topping the list, with 1,233,484 pounds for the year, was Ralph Paulson, route 1, Green Bay. Next came William Mich, route 2, Pulaski, with 963,629.

The others, in order: Norman H. Maass, route 3, Seymour, 804,528; Kenneth T. Mathis, route 3, Iowa, 779,480; Rudolph Sorenson, route 1, Bonduel, 717,241; George K. up, and the margin of profit Peters, route 2, Shiocton, 700, will be shaved. The farmer's 919; Lester and Roy Krahn, inevitable recourse, if he route 1, Seymour, 695,444; Felix Rozmiarek, route 2, Pulaski, 688,726; Shawano County Hospital and Home, 665,801; Chris Roepcke, route 2, Seymour, 649,284.

Consolidated Badger elects its entire slate of directors annually. These men were named at the meeting: Palmer G. Gums, Birmannwood; William Selmer, Iowa; Grant Sorenson, Waupaca; Laurence Day, Wittenberg; Clarence Schlag, De Pere; Claude Felts, Tilleda; A. H. Klebesadel, Shawano; Norman Maass, Seymour; Engebretsen, Gillett; Arnold Schroeder, Greenville; Joseph M. Van Handel, Kaukauna.

Schroeder Cow Leads DHIA

103-Pound Average Places Animal on Top of County List

A cow owned by Walter Schroeder, route 1, Appleton, topped the Outagamie county DHIA list for April with 103 pounds of butterfat.

A cow owned by Herman Stichman, route 2, New London, had the highest of the top ten production records selected from those cows which completed a 305-day lactation during the month. Its record showed 627 pounds of fat and 17,010 pounds of milk.

Other Leaders
Other high cows for April were owned by Ing Vegoe, route 2, Black Creek, 92. Bert Weyenberg, route 3, Appleton, 91; Stichman and Outagamie county farm, 90; Oscar Miller, route 1, Black Creek, 88; Wolf River farms, route 1, Shiocton, and Chester Appleton, route 2, Kaukauna, 85, and Arnold Volkman, route 2, Black Creek, and Walter Schroeder, route 1, Appleton, 84.

Other cows on the lactation list were owned by Robert Krohlow, route 1 Black Creek, 605-16,430 and 602-17,950; Miller, 600-10,800; Appleton, 599-16,520; Bryon Krohlow, tour route 1, Black Creek, 594-14,950; Appleton, 581-18,010; Robert Paltzer, route 3, Appleton, 571-14,460; Clay Hill Dairy, route 3, Seymour, 570-13,110 and Appleton, 562-16,410.

PRUDEN CLEAR SPAN
FRAMED BUILDINGS

IDEAL FOR FARM SHELTER
and COST LESS than you expect to pay!

FOR POULTRY HOUSES
FOR MACHINE SHEDS
FOR LOADING BARN

You get more strength, less weight, lower cost
with Pruden—expert engineering makes the difference.

Pruden Clear Span Framed Buildings offer the widest versatility for agriculture shelters. They are ideal for machine sheds, poultry houses, loading barns, garages, hog farrowing houses, and many other needs such as school bus garages, truck terminals, warehouses, fair buildings, etc.

Pruden Clear Span feature affords unobstructed interiors from wall to wall and from floor to roof. Standard widths are 30, 40, 50 and 60 feet, and buildings can be any length.

You receive best value with a Pruden Framed Building because you can incorporate all building materials, each to its best advantage. Building may be enclosed with wood, steel, aluminum, asbestos, block or other materials. Many roof materials are used. Pruden Buildings are most versatile!

Cattle Co-op President Says Business Fine

Gross Sales Total \$700,000 Since Start Early Last Year

Post-Crescent News Service
Green Bay — Business is fine, thank you, reports Ralph H. Deering, president of the Central Wisconsin Cooperative Livestock Sales association.

Headquartered in Green Bay, the co-op has grossed sales of approximately \$700,000 since it began operations last Feb. 9. Weekly receipts currently are about 15 carloads of cattle, calves and hogs.

(A "carload," in stockyard terminology, consists of 25 head of mature cattle, 100 calves or 100 hogs.)

Deering is well pleased, too, with the way the membership has been building up week by week. Some 2,200 farmers throughout northeastern Wisconsin have availed themselves of the sales service provided by the new cooperative.

Key Figures

Men with many years of experience in the livestock buying and selling field are the key figures in the organization. Deering, the president, not only has done much work with livestock but is well known as a cooperative worker. His home is at Shiocton. Ralph Maciejewski, Green Bay, formerly with the Equity Cooperative Livestock Sales association, is the office manager. The salesman, equally well known, are Oris Smith, a farmer at Twelve Corners, near Appleton, and Albert Bialozynski, Suamico.

Officers in addition to Deering are Carlyle Manley, Greenville, vice president, and Roman Krause, New London, secretary-treasurer. The other directors are Earl Carlson and Walter Luedtke, Shiocton; Herb Wendt, Seymour, and Claude Olsen, DePere, route 1.

Set to Sell

"We are set up to sell livestock for farmers to any available market," Deering said. The greatest volume so far has gone to the Liebmann Packing company, Armour and company and the Endlich Packing company in Green Bay. Central Wisconsin rents office space at Liebmann's and has a branch office at Armour.

Seventeen truckers, operating their own rigs of vehicles owned by local associations, deliver the livestock to the yards.

Veal calves and culled dairy cattle make up about 75 percent of the volume, Deering reported.

The Green Bay area, according to Deering, is one of the principal veal calf areas in the United States. Calves bring high prices because they

Carl Hirschinger, Agent-at-Large for Outagamie county, shows he practices what he preaches as he sprays a chemical compound on weeds just outside the county extension office at the county courthouse in Appleton. The agent suggests spraying as the best possible way to get rid of bothersome weeds.

Agent Says:

Treatment With Chemical Reduces Bothersome Weeds

BY CARL HIRSCHINGER
Agent-at-Large Outagamie County

Now is the time to kill those broad leaved weeds in your lawn. Dandelions, plantains, buckhorn, thistles and ground ivy can be killed by using 2,4-D.

When used properly, the growth of most lawn grasses will not be injured materially by treatment. The compound is sold under a number of brand names. Follow the directions of the manufacturer when mixing this chemical with water. For ordinary purposes, one gallon of the prepared spray should be applied to each 500 square feet of lawn. The prepared spray is most conveniently applied with a small knapsack sprayer. Spraying the area in strips will give the best coverage and will avoid treating some areas twice. When applied correctly, the grass and weed foliage should be wet lightly but not drenched.

Lawns should not be mowed for at least a week prior to spraying. This allows the weeds to develop a good leaf area. Likewise, the sprayed area should not be mowed immediately after spraying. It takes a few days for the

chemical to move from the leaves to the roots where the killing action takes place.

Newly seeded lawns should not be sprayed with 2,4-D. The young grass seedlings, as well as the weeds, will be injured by this treatment. If weeds become very large and shade the small grass plants, they should be removed by mowing.

Most lawns are weedy because the grass is thin and weak due to a low fertility level. For best results, a fertilization program should be followed when 2,4-D is used for weed control. Use of fertilizers, particularly those containing nitrogen, will stimulate grasses to grow and fill the bare spaces. Four pounds of a nitrogen fertilizer such as ammonium sulfate should be applied to each 1,000 square feet of lawn in the early spring.

The lawn should be watered heavily immediately after the application to wash the fertilizer from the grass leaves. If a complete fertilizer such as 5-20-20 is used, the application must be increased about four times to supply sufficient nitrogen.

are milk fed and properly finished.

"Farmers are actually getting between \$4.50 and \$5 for their milk by feeding it to calves for sale as veal," Deering noted. "That's considerably more than they are getting these days at the dairy plants."

Seeks Permit

Post-Crescent Madison Bureau
Madison—William J. Grumwald of route 1, Black Creek, has asked the public service commission for a permit to divert up to 800 gallons of water a minute during the summer from the Shiocton river to irrigate land in the town of Maine. The commission will hear the application at the Outagamie county courthouse in Appleton June 1.

Family Moves

Sherwood — Mr. and Mrs. Robert Steffes and family have moved into the former Robert Wolf home, route 2, Hubert. The Wolf family moved to Kiel.

Grants Permits For Buildings

Hortonville — Building permits have been granted by the village board to Mrs. Gladys Kuchling and Lawrence Modder, each for new siding on their homes, William Morrissey to remodel a home on Appleton street, Chauncey Surprise to build a new garage, and to Mrs. Marie Fulcer for a foundation for her present home.

Street committee chairman Reinhold Harp advised the board to accept only a 60-foot street for the proposed Nye street extension.

New Medina Residents

Medina — Mr. and Mrs. Orville Peters and family of Greenville have purchased and moved into the former Edwin Otto residence.

Fox Cities Take to New March Type Recording

'Battle of New Orleans' Replaces
'Tiajuana Jail' as Top Favorite

BY DICK DISC
"The Battle of New Orleans," a march type tune by Johnny Horton, has smashed its way into the front line on the Fox Cities top 10 chart. "Tiajuana Jail" has gone down to sixth place after four consecutive weeks in the top spot.

"Battle" gives a somewhat unhistorical account of Gen. Jackson's fight with the British in 1814 and features some banjo plunking reminiscent of an old time minstrel show. The tune is done in march tempo.

Other new tunes this week include Dion and the Belmonts' "Teenager in Love," and "Dream Lover" by Bobby Darin.

Here's the top 10.

1. "The Battle of New Orleans" by Johnny Horton.
2. "Sorry, I Ran All the Way Home" by the Impalas.
3. "Kookie, Kookie" by Edward Byrne and Connie Stevens.
4. "The Happy Organ" by Dave "Baby" Cortez.
5. "A Teenager in Love" by Dion and the Belmonts.
6. "Tiajuana Jail" by the Kingston Trio.
7. "Quiet Village" by Martin Denny.
8. "Poor Jenny" and "Take a Message to Mary" by the Everly Brothers.
9. "Pink Shoelaces" by Dottie Stevens.
10. "Dream Lover" by Bobby Darin.

Ten years ago, Billboard reports that "Forever and Ever" was a hit tune and five years ago, "Wanted" was the top tune.

"Liechtensteiner Polka," etc.

Records up for review: "A Boy Without a Girl" by Frankie Avalon. Though Avalon is known as a hit producer, this side seems to fall way short of his other successes. It's a slow ballad and Avalon's capacity for singing ballads is limited. A pretty tune, the song has good lyrics but seems to be rather poorly arranged. All in all, a very slow softly sung ballad with few merits.

"Lonely for You" by Gary Stites. Another ballad, with excellent choral and orchestral backing. Stites delivers this one with a great deal of feeling and emotion and does a good job on his debut record. It has a good beat and is very well performed.

Judy Garland Big Success at Met Debut

BY WILLIAM GLOVER
New York — All Judy Garland could say was, "My goodness gracious sakes, alive!"

It was her answer to a long ovation at the Metropolitan Opera house, at the opening of a one-week run with her own show in that hallowed hall of culture.

The occasion was notable as the first time that a star from the world of night clubs and Broadway had taken the Met stage for a full program since Sir Harry Lauder did it years ago.

The show displayed Judy in

Singer Judy Garland Takes a Curtain call after her debut at the Metropolitan Opera house in New York, where she opened a week's run of her new show. Her appearance marks the first time since Scotland's Sir Harry Lauder that a star from the world of popular entertainment has taken over the opera house.

Terror Stretch Drive Fails; East Wins

Red Devils Score 60-58 Track Win; Wittig Scores 17

Post-Crescent News Service

Green Bay—Appleton High school's Terrors, long a thorn in the side of East high's track athletes, were still looking for their first dual victory of the season today, but they gave the Red Devils a fright Tuesday afternoon before going down before Al Reed's boys, 60-58, at East stadium.

Trailing, 50-27, with only five events to go, the Terrors put on a combined stretch kick that threw the meet up for grabs with the broad jump the last number on the card. Then, they managed to qualify only two jumpers, which automatically gave the Red Devils the decision.

If it hadn't been for Bob Wittig the visitors might have made it anyway. Bob won two events, including a record-breaking shot put, tied for first in another and placed second to his school rival, Fred Dahneke, in a fourth to account for 17 points.

East in Slam
Wittig opened the afternoon with a sparkling 14.9 sprint to take the high hurdles as East slammed the event, then flipped the big brass ball 52 feet, 9 inches to smash the school record set by his brother Dick only last year. He and Dahneke then tied for first in the high jump with leaps of 5 feet, 6 inches, after which Bob placed second to Fred in the low hurdles.

East slammed three of the first seven events to open a 42-17 gap at the halfway mark, then Appleton started to close the distance. Don Loker, the Terrors' mile star, made a shambles of the long run and Uwe Strehmel came in second to make it 31-35.

Gabe Biemeret and Bob Freimuth finished 1-2 in the discus to give East a certain tie at 59-36, and the Terrors came to life. They swept the pole vault and took the 880 relay when Bob Roemer nipped Don Sharp (a revival of a rivalry that began 30 years

Williams Goes 0-for-5 in His Return

Boston — "I'll be all right, the hits will come," Ted Williams was not disappointed Tuesday night after going 0-for-5 in his first appearance of the 1959 season for the Boston Red Sox.

The 40-year-old defending American league batting champion, coming off a neck and shoulder ailment which had forced him out of action since March, said:

"I'm satisfied with my efforts for my first game back. I'm not tired. In fact I feel real good," he said after playing in the home forces' 4-3, 12-inning loss to Chicago which lasted 4 hours, 23 minutes.

"My problem was that I was hitting bad pitches," Ted added. He struck out twice, popped up to the infield, drew an intentional walk and twice grounded out.

The Lawrence College Track Team will compete in the Midwest conference meet this weekend at Northfield, Minn. Shown, in the front row, left to right, are Coach Art Denney, Dave Berganini, John Ross, Dave Mulford, Carl Schwendler, Gil Sutherland and Coach

Gene Davis. In the back row, from left, are Mike Ulwelling, Ron Traver, Joel Blahnik, Tad Pinkerton, Ron Simon and Manager Bill Richards. Absent for the picture were Bob Smith, Gary Scovel and Mike Gross.

Pinch-Hitter Averill 'Grand Slams' Burdette

Braves Lose in 9th

Cubs Rally For 7 to 3 Decision

Chicago — The Milwaukee Braves' Lew Burdette walked off the mound in the ninth inning Tuesday, thinking he had thrown a called third strike past Earl Averill—standing at the plate for the Chicago Cubs in a pinch-hitting role.

Umpire Ed Sudol called the pitch a second ball and Burdette had to return. He should have kept going. Averill knocked the next pitch out of the park for a grand slam homer that beat the Braves, 7-3, and dropped them into a tie with the Los Angeles Dodgers for first place in the National league. Milwaukee trails the Dodgers by a half game, but both teams are .600 in the deciding percentages column.

3 Solo Homers
Burdette had been the Cubs' master through eight innings, allowing only four hits and two runs, one of them unearned. He had fanned two and walked one. Meanwhile, Milwaukee had collected three runs on solo homers by Eddie Mathews, Del Crandall and Johnny Long.

Burdette began the ninth by retiring the first batter, but then Walt Moryn socked his fourth homer to tie the score. Singles put Dale Long and Bobby Thomson on base before Burdette gave up his second walk—an intentional pass to Lee Walls to fill the bases.

The second out was counted with the force out at the plate of Chick King, running for Long. Averill, who went to the plate with a .171 batting average, was sent in for pitcher Don Elston. Two strikes put

Nats' Killebrew Hikes Home Run Total to 12

Hits Pair for 4th Time This Season; Cleveland, Chisox Both Score Wins

By The Associated Press
Two months ago, Harmon Killebrew figured he'd have a successful year if he stayed with the Washington Senators all season.

At the moment, he leads the American league in home runs, with a dozen; in runs batted in, with 28, and in runs scored, with 26.

In five previous tries with the Senators, since he became their first bonus baby in 1954, his total home run output was only 11, his RBI total was 30 and he had scored just 29 runs.

Poor-Fielding Jolter
The 22-year-old third baseman, known as a poor-fielding jolter who never had a chance to play behind Eddie Yost, junked Washington's losing skien at three games Tuesday night, driving in five runs with a pair of homers for a 7-4 victory over the Detroit Tigers.

That left the surprising Senators fourth, three games behind Cleveland's first place Indians, who defeated the New York Yankees, 7-6. Chicago's White Sox retained second place, 14 games back, with a 4-3, 12-inning victory at Boston. Kansas City's game at Baltimore was rained out.

Killebrew, getting his big

chance when the Senators traded Yost to the Tigers last winter, now has belted two home runs in four of his last 12 games. This was his third "double" against the last-place Tigers, who are 0-4 against the Nats.

Frank Lary had the Senators blanked on three hits until the sixth inning, when rookie Bob Allison, who drove in the other two Washington runs, doubled. Killebrew followed with a 2-run, 420-foot sock. Allison's sacrifice fly and Killebrew's second homer put it away in the seventh against Ray Narleski, after losing reliever Dave Sisler, (0-1) had loaded the bases with a pair of walks.

Still Unbeaten
Bill Fischer, still unbeaten, won his third with Tex Clevenger's hitless, 2-inning relief mop-up.

Unbeaten Cal McLish won his fifth for the Indians, who made it with the help of four unearned runs. Rocky Colapinto, who had scored just 29 runs.

Northside Unit Plans Booster Tilt
The Northside Advancement association will sponsor a Fox Cities Foxes booster game May 24. The Sunday afternoon opponent for the Foxes at Goodland field will be Cedar Rapids.

Complimentary tickets will be given by Northside merchants, starting Monday. The association will "buy out" the ball park. Entertainment will be provided at the game, and prizes will be given.

Foxes Use 19 Hits To Jolt Soos 12-7

Dodgers Win 4th Straight, Nudge Ahead of Braves

Danny McDevitt Stops Phils; St. Louis Defeats Cincinnati

By The Associated Press

A 4-game winning streak isn't much, but in the National league it means first place.

The Los Angeles Dodgers won their fourth in a row Tuesday night, beating Philadelphia, 3-1, behind the 5-hit pitching of young Danny McDevitt. That gave the Dodgers a half-game lead over Milwaukee although the two clubs are tied percentage-wise (.600). The Braves lost, 7-3, to the Chicago Cubs.

Giants Edged
St. Louis kept Cincinnati from making it a virtual 3-way tie by beating the Reds, 7-4. Pittsburgh defeated San Francisco, 6-5, in 12 innings.

No one has been able to put together more than a 4-game string in the National league scramble. Fact is, only the Braves and Dodgers have won that many in a row. The Dodgers won four straight and came within .133 of first place three weeks ago.

It's a repeat of last year's pennant scrap in the NL, when the longest winning streak was seven games. The Dodgers, who finished seventh, never won more than four straight last year.

The Dodgers now have won seven of their last 10, and McDevitt has two of the three complete games the pitching staff has produced in that span. The 26-year-old lefty (2-1) had a 2-hit shutout until the eighth inning when Willie Jones hit his seventh home run. McDevitt walked none, fanned six.

Zimmer Walked
McDevitt singled home the Dodgers' first run in the fifth after loser Gene Conley (1-1) had purposely passed Don Zimmer. The Dodgers scored twice in that frame, getting the other on an error. Duke Snider singled home the final run in the eighth off reliever Jack Meyer.

Rookie righthander Gary Blaylock hit a 2-run homer and won his first for the Cards, although needing Bill Smith's relief after Vada Pinson's 2-run double finished the Reds' scoring in the seventh. Brooks Lawrence (3-2) was the loser after winning three in a row.

The Pirates, shut out on three hits for six innings by Johnny Antonelli, put it

away with three runs in the twelfth. Gordon Jones (1-2), fourth of six Giant pitchers, was the loser. Bennie Daniels, who lost his first decision as a starter Monday night, won this one in relief, although roughed up for two runs in the twelfth on two singles and three errors. Two of the boots were by Bob Clemente, whose single proved the clincher for the Pirates.

Kimberly 3, Neenah 2.

Friday's Games:
Kaukauna at Menasha.
Neenah at New London.
Shawano at Kimberly.

Shawano — Kaukauna took over undisputed possession of first place in the Mid-Eastern baseball conference with a 4-1 triumph over the Shawano Indians here Tuesday.

Righthander Tom Frank hurled a 2-hitter and struck out six in pitching the Ghosts to their fifth victory in six conference outings. Shawano is now 4-2. Each team has one game to play.

Lefty Billy Krenger started for the Indians but ran into a wild streak in the second inning when he gave up five walks and uncorked a wild pitch and Kaukauna pushed across three runs without a hit or getting the ball out of the infield.

Relieves Krenger
Don Spurrier relieved Krenger in the second and held the Ghosts to five hits and one run the remainder of the game. Righthander Fred Steger was the Ghosts' big gun at the plate, getting three hits including a double. He also drove in the winners' final run with a single in the fifth. Jerry DeBruin and Jim Ste-

'Spoon' Hits Pair of Home Runs

Sioux City, Iowa—The Fox Cities Foxes went on their biggest hitting rampage of the season here Tuesday night to flatten the Sioux City Soos, 12-7.

Breaking out of a long slump, "Chuck" Weatherspoon led the 19-hit attack

Weatherspoon Mitchell with two home runs, a single, two walks and six runs-batted-in. Six other Foxes lit into four Soos pitchers for two or more hits apiece.

4 Straight Innings
The Foxes hit homers in four consecutive innings — from the third through the sixth. Homer clouters, in addition to Weatherspoon, were "Potato" Pascual (his third of the season) and "Zorro" Versalles (his second).

Gary Mitchell, who relieved starter Dick Griffith in the fourth, pitched 3-hit ball for 5 and 1/2 innings to pick up his first win. The loser was the Soos' second pitcher, Arlen Downs.

The Foxes scored once in the first on singles by Benjie Sinequfield, Hernan Villa and

Southpaw Maestri Will Join Foxes

Left-hander Hector Maestri has been optioned to the Fox Cities baseball club by Charlotte. He is due to join the Foxes on their current road swing in Iowa.

Maestri posted a 16-11 record with Elmira of the class D New York-Pennsylvania league last season, striking out 210 and walking 126 in 154 innings.

Weatherspoon, Tom McDonald doubled Sioux City into a 2-1 lead. Fox Cities regained the lead in the third as Pascual homered behind Villa's single.

The Foxes made it 5-2 in the fourth on Jerry Patrick's double and Versalles' homer. The Soos tied it in the bottom of the fifth on singles by Milo Fuller and Downs, a walk to Dick Howser, a 2-run error by Versalles and a 1-run error by Sinequfield.

With one out in the fifth, Weatherspoon hit for the circuit to put the Foxes ahead to stay. They got another run in the frame on a walk to "Mike" Ilney and singles by Bob Mason, Patrick and Mitchell.

In the sixth, the visitors exploded for four runs. Sinequfield doubled; McDonald dropped Vila's fly; and Pascual

Bounces Ripon, 13-7, in Viking Season Finale

The Lawrence college baseball team Tuesday won its first game since it resumed varsity baseball in 1958, 13-7, over arch-rival Ripon in the Vikings' season finale at Goodland field.

It shattered a 16-game Viking losing skien over the two campaigns and reversed an earlier 12-6 Midwest conference Northern division setback to the Redmen.

Lawrence collected 12 hits off three Ripon pitchers, 11 singles and Gary Larson's double. Charlie Scruggs had three singles and Ken Haebler and Mike Gilboy had two. Larson hit a single as well as his double.

Karl Franke and Mike Gilboy divided Lawrence hurling duties. Franke, the starter, allowed six runs on eight hits

and a walk in the first 5 and 1-3 innings. Gilboy fanned five and walked one, yielding just two hits and one run in the final 3 and 2-3 frames.

With the score tied, 2-2, in the last of the third Lawrence went ahead to stay with two runs on a Scruggs' single, an error, Jim Schulze's sacrifice fly and Larson's double.

Ripon's Ron Gerlach was spooked in the hand by Lawrence's Rick Ramsey in the sixth inning. Gerlach had 10 stitches taken in the wound at St. Elizabeth's hospital.

Bulldog One-Hitter Trips Two Rivers

Gary Herres Permits Only A Single in 3-0 Triumph

New London — The New London Bulldogs rallied behind pitcher Gary Herres, who allowed only one hit, to beat Two Rivers, 3-0, in a Mid-Eastern conference game here Tuesday afternoon.

Meyer, catcher for the Raiders, had a single in the fifth inning for the only hit off Herres. Herres claimed four strikeouts and walked three

Demons Win 5th Straight

Nip Green Bay To Solidify Three-1 Lead

By The Associated Press

The first sizeable winning streak of the season has opened up a 14-game lead for the Des Moines Demons in the Three-I league.

The Demons, mixing timely hitting with tight pitching, topped Green Bay Tuesday, 3-2, for their fifth straight victory.

In other games, Fox Cities turned on Sioux City to win, 12-7, and the long ball also was a big factor as Topeka defeated Cedar Rapids, 7-4. Lincoln and Burlington were rained out of their game.

A crowd of 829 saw Des Moines' Ed Lunsford pitch second-place Green Bay into 4-hit submission. Tom Morgan's single in the seventh inning produced the winning run.

Bernie Parrish bopped Cedar Rapids with two four-baggers good for four runs as 1-187 turned out to watch Topeka's victory. Topeka took an early lead of 7-0. Dennis Menke homered for the Braves.

5,000 Watch Austin Win 1st Interloop Tilt

Austin, Texas — (P) Baseball Commissioner Ford Frick tossed out the first ball Tuesday night to officially open the Pan American association.

When Austin of the Texas league defeated Nuevo Laredo of the Mexican league, 8-2, it marked the first time teams of two leagues competed in a game which counts in the standings.

Baseball leaders hope the interleague play will inaugurate increased attendance and interest in the minor leagues.

Pre-game ceremonies were held in Spanish and English before a near-capacity crowd of more than 5,000.

Post Office, St. Mary '9s' Post Wins

St. Mary and the Post Office posted victories in Appleton Recreation department softball openers Monday night.

St. Mary scored a 17-5 Church Softball loop victory over First Methodist as pitcher Kimball allowed the losers just five hits. Post Office dumped the Courthouse, 11-2, as pitchers Melcher and Brandt gave up just two hits. Brandt had a homer in the 11-hit Post Office attack.

NBA May Reinstate Robinson if Bout With Basilio Materializes

There's Still No Assurance Match Will Agree to Proposed Match

Philadelphia — (P) The press-Joe Netro said "We've got to be satisfied."

Al Klein, a member of the Pennsylvania Athletic commission, said the deal had been in the works for 10 days.

"I have \$10,000 Robinson posted in bond money that says the deal won't be a phony," Klein added.

"When Basilio and his managers realize the financial aspects of the deal, I'm confident they'll sign."

Klein also commented on a statement by Marv Jensen, manager of Gene Fullmer that Basilio will not sign "because we have a signed contract with promoter Norman Rothschild for our services in Syracuse in July."

"My information," Klein said, "is that Basilio does not agree to the fight. His camp would offer no assurance that he would, and Basilio was unavailable for comment."

The fight would be promoted by Samuel Rose, a city councilman, who was not present at the news conference.

Robinson would get 45 percent of an estimated \$750,000 to one million dollar gate and the same percentage of more than \$300,000 in television and radio receipts. Basilio would receive 20 percent.

By signing, Robinson partially fulfilled a New York State Athletic commission ultimatum to sign for a Basilio fight by Friday or lose his title in that state.

Got to Be Satisfied

The NBA lifted Robinson's title by edict May 4 after repeatedly warning him to sign for a defense against Basilio. Robinson won the middleweight title from Basilio March 25, 1958, but hasn't fought since.

John DeJohn, co-manager of Basilio, said the Robinson deal sounded phony.

"We're certainly not going to let Robinson dictate terms and accept them meekly," DeJohn said.

Basilio's other co-manager, 29 walks 6 hits and 3 earned runs in 5 games.

In all, young Kelly has eight no-hitters in high school.

Terror Stretch Drive Fails; East Wins

Continued from Page 1

or more ago when their dads were running against each other by less than a foot at the tape.

That left it up to the broad jumpers, whose qualifying leaps weren't complete at this point. A sweep for the Terrors would finish the meet in a 50-50 deadlock. However, Appleton could qualify only two men — they finished one-two, incidentally — and East had victory in the bag.

A stiff west wind gave the sprinters a real break but made it tough for the distance runners. Good times were recorded in the sprints as a result, but it was real work pushing along the back stretch.

The verdict gave East a dual meet record of 4-1 for the season.

'Life Is Like a Ball Game,' Says 'Big Ed' Walsh as He Nears 78

Pompano Beach, Fla. — (P) Edward A. "Big Ed" Walsh, one of baseball's greatest pitchers, will celebrate his 78th birthday Thursday and he figures that, cancer and all, "I've got a few innings of living left."

A year ago, everybody thought the old Hall of Famer's days were closely numbered. His chances of complete recovery remain dubious.

"But I'm looking at things better now," the one-time scourge of the American league told a visiting reporter.

55 Years Ago

"Life is like a ball game to me. When I was out there on the mound I never thought anyone could beat me. If they did, they'd have to go nine innings to do it."

"That's the way it is now. I'm still good for a few more innings."

Big Ed's career began 55 years ago and ended nine years later. In 1908, his darting, slipping pitches won 40 games for the Chicago White Sox.

Now bedridden, he remains wrapped up in the sport that brought him fame. While winning 195 of 311 games, he established a reputation as a great spitball pitcher.

Walsh has long opposed the spitball ban.

"Everything else in the game favors the hitter," he said. "Ball parks are smaller and baseballs are livelier. And they're practically got the pitchers working in straightjackets."

"They say removing the spitter cuts down on hit batsmen. Bah! They still allow the knuckle ball and that's three times as hard to control as the spitter."

"I admire the pitchers today who throw the pitch. Some people call 'em cheaters. They are not. They're just guys doing everything they can to win."

Walsh, still a White Sox rooster, is really enjoying himself with the Yankees in the second division. But he does not expect them to stay there.

"The Yankees will win it all again, easy," he says.

Cubs Trade Phillips For Phil's Morehead

Chicago — (P) Taylor Phillips, southpaw pitcher who has had 16 consecutive incomplete games, Tuesday was traded by the Chicago Cubs to the Philadelphia Phils for lefty Seth Morehead.

Morehead 24, had a 1-6 record last year and is 0-2 this season.

Vike Netters Bow

The Marquette university tennis team defeated Lawrence, 7 to 2, in Milwaukee Tuesday.

UW Releases Radioactive Pheasants

Experiment Should
Help Answer
Stocking Question

Madison — (U) — There are 1,000 radioactive pheasants on the loose in south central Wisconsin as part of a controlled experiment by the University of Wisconsin.

The program, in cooperation with the state Conservation department, is designed to shed more light on the effectiveness of stocking pheasants in the spring.

Under the guidance of Robert McCabe, university wildlife management professor, 1,000 pheasant hens, each carrying a radioactive pellet under its skin, recently were released in the eastern half of Dane county.

Elusive Question
Bird hunters next fall, Prof. McCabe and his research assistants hope to answer the elusive question:

Is fall or spring a better time for stocking pheasants?

"This is strictly a policy making piece of research," McCabe said.

Here's how McCabe's plan will work:

Later this summer, the "hot hens" will lay their radioactive eggs. Radioactivity, in turn, will be passed on to the embryo chicks and become implanted in their bones.

When the male chicks reach maturity in the fall, they will become prime hunting targets. Hunters have been instructed to snip off the legs of their kills and mail them in a special envelope to McCabe's laboratory.

By comparing the number of radioactive rooster pheasants with the total kill and compare that with the 15-year average kill, the researchers hope to determine the feasibility of spring stocking.

Dupas Slight Favorite Over Scott Tonight

Chicago — (U) — Ralph Dupas of New Orleans, a veteran of 22 fights although only 22 years old, is a slight favorite to pad his winning record against rugged Charley Scott tonight.

The welterweight 10-round fight in Chicago stadium will be televised (ABC, 9 p.m. EST) and scored under the 5-point must system.

Scott, 22-year-old Philadelphia puncher, is seeking his fifth straight victory. He has won 22, losing only two and battling to seven draws.

Averill Hits Grand Slam To Tip Burdette

Continued from page 1

him behind but the count was even at 2-2 when he picked the one he wanted and smashed the ball over the leftfield screen.

The defeat was the second for right-hander Burdette in seven decisions while Elston picked up his first victory against one loss as he worked a single inning in relief of starter Bob Anderson.

Crandall's third homer in the second opened the scoring. Logan got his third, and second in as many days, in the fourth. Mathews boosted his major league lead to 13 with a shot into the street behind right field in the fifth.

Tony Taylor hit his first homer of the season, and the first of three off Burdette, in the fourth. A leadoff double by pitcher Anderson and an error by Logan contributed to Chicago's unearned run in the sixth.

Tonight at St. Louis, Warren Spahn, 3-4 for the season, will seek the 250th victory of his career as he opposes the Cardinals' Larry Kaghan, 1-4.

The Lawrence College Golf Team will compete in the Midwest conference meet at Beloit Friday and Saturday. Team personnel, in the front row, are Dick Lintvedt, left, and Jim Adley; and in the back row, from left, Neil Collins, Jim Rasmussen, Bob Blust and Coach Bernie Heseltin.

Some Reluctance Shown

Senate Committee OKs Bill to Put Upper Fox Under State Control

Post-Crescent Madison Bureau

Madison — With some apparent reluctance, the state senate committee on conservation Tuesday voted, 3-1, to recommend for passage an

assembly-approved bill to transfer to state ownership and control the upper Fox river navigation system and appurtenances managed for many decades by the federal government.

The dissenting vote came from Sen. Robert Dean of Wausau, representing Shawano and Marathon counties, who described the declared plan of the U. S. corps of engineers to abandon the river navigation facilities as "baldness."

87-Mile Waterway
Under the terms of the pending legislation, the state conservation commission would take over the control of the 91-mile waterway when it is satisfied that improvements according to an agreement with the national government have been completed.

State officials have been promised that the engineers' corps will spend \$300,000 for such improvements before the transfer is completed about next July 1.

At several hearings, boatmen interests in the region and

in the Fox Valley expressed skepticism about the plan for state control of the waterway, and doubted that dredging of the river that they claim is needed would be done by the state.

Some river community spokesmen also worried about the dangers of flood control and the ability or will of the state in the future to spend for flood control structures.

The conservation department has testified that future maintenance of the waterway structures would be moderate in cost and justified by the fish and game and scenic considerations involved.

Most of the locks on the river system have been closed, and under the approved plan, the locks at Eureka would be operated by a private boat club under permit.

The national government maintains that the river is no longer suited for commercial navigation.

Killebrew Hits 2 More as Senators Win

Continued from page 1

vito, who had four hits, and Woody Held homered for the Indians against loser Art Ditmar (1-2). Mickey Vernon, Elston Howard and Yogi Berra homered for the Yankees before McNish, 33, gave way to the heat and humidity at New York. Rookie Jim Perry saved it, blanking the champs on one hit while striking out four over the last two frames.

Cleveland's winning run was set up in the fifth on an error by Berra—who had set a major league record for catchers in his last game with a string of 148 errorless games since July 28, 1957.

All the White Sox runs came on homers. Starting right-hander Dick Donovan hit a 2-run shot in the second inning and Al Smith put an end to nine scoreless frames for Chicago with a two-run homer in the twelfth off losing reliever Murray Wall (1-1). Rookie Rodolfo Arias (2-0) was the winner, although only giving up Jackie Jensen's eighth homer in the Boston 12th.

Road Workers Get Memorial Day Holiday

Board Defers Any
Action on July 4;
Both on Saturdays

The Outagamie county board decided Tuesday to give its highway department workers a day off and to study their request for a second one.

Local 435 of the Wisconsin Council of County and Municipal Employees asked for the Mondays following Memorial day and July 4 as paid holidays because both occasions fall on Saturdays this year. The two days are among the seven named in the agreement between the county and its highway workers.

The county's policy has been to grant the highway workers the paid holiday if it falls on a regular working day.

"Is this only for the highway employees — what about the others? We ought to have a uniform policy," declared Appleton Supv. Mark Catlin.

Time, Not Pay
Robert Swanson, business agent for the workers, said the men wanted the time off, not holiday pay. He added that last year the highway department worked all employees 16 Saturdays and some of them six more Saturdays.

It was impossible to decide, highway committee members indicated, whether Saturday was a regular working day under the definition of the highway workers-county agreement.

It was estimated the day off with pay would cost the county \$1,600 to \$1,700.

Sent for Study
"Give them Memorial day, but not July 4, there's too much road work then," suggested Appleton Supv. Sylvester Esler.

Esler moved to grant the June 1 Monday, then Catlin amended it to give the same day, but send the July 6 Monday to the executive committee for study on how it will affect future board policy.

The move passed by a 4-2 vote.

Prisoner Tries a Nap
In Home, Fined \$50

Oliver P. Mertzig, 47, who has been serving a term in the Outagamie county jail, Tuesday was fined \$50 for disorderly conduct when he admitted entering a house at 110

Scattered Showers and Thunderstorms are expected tonight from Maryland westward to southern Missouri. It will be cooler from the plains states to the Atlantic coast. It will continue warm and humid in the Gulf states.

Senate Backs 2 Appointees Of Governor

Madison — (U) — Three new appointments by Gov. Gaylord Nelson were confirmed Tuesday by the senate over the challenge of several Republican members.

Sen. Robert P. Knowles of New Richmond was the chief dissenter. His attack was directed at the appointment of Edwin Larkin of Eau Claire, and Don A. Olson of Two Rivers to the aeronautics commission.

Nelson named the two to replace Dr. Alvin G. Sell of Ashland and Howard Morey of Madison.

Knowles said he was not challenging the personal integrity of the two new appointees but that he viewed their qualifications to serve on the commission as "inferior."

Praises Morey
Knowles, a World War II B-24 pilot and the holder of a commercial pilot's license, said Morey's replacement would mean the loss of one of the "state's most outstanding men in aviation."

On the confirmation of Larkin, the New Richmond legislator's remarks won negative votes from fellow Republican Sens. William W. Clark of Vesper and Kirby Hendee of Milwaukee.

On the confirmation of Olson, the opposition swelled to include Sen. Jess Miller, R-Richland Center, and Democrats Howard Cameron of

Husband, Wife in Court After Fight

Mrs. Florence C. Johnson, 39, of 318 1/2 N. Appleton street, and her estranged husband, Bernhart E. Johnson, 43, of 1013 S. Douglas street, were haled into municipal court Tuesday as the aftermath of a disturbance in the 300 block of N. Appleton street about 1:15 a. m. Sunday.

Judge Oscar J. Schmiede dismissed disorderly conduct charges against Mrs. Johnson, fined Johnson \$25 on the same charge. Mrs. Johnson was ordered to pay \$2.95 court costs.

Police were summoned to the argument scene by neighbors awakened by the noise. A fist fight had been in progress, neighbors told police.

Rice Lake, and William Moser of Milwaukee.

Sen. Robert Travis, R-Platteville, also picked up Miller's vote in opposition to Morton L. Gazerwitz of Oshkosh as a replacement for J. Evans Barnett of Boscon on the board of veterans' affairs.

Travis said he based his objection on Barnett's record "of faithful service."

The Shorthorns, Have Won the championship in the Dairy Couples league at Twelve Corners. Team members, seated, are Edna Peters, left, and Mrs. Floyd Meyer. Standing are: Richard Staedt, left, and Floyd Meyer.

2-Way Radio System to be Used for Start of '500'

Indianapolis — (U) — After with eight observers around losing nine cars in the last two 500-mile races before they had completed a single lap, the Indianapolis Motor cars in the lineup pulled out speedway will try to smooth of the pits ahead of the pace out the May 30 start with a 2-car. Two extra laps were necessary before the lineup could be straightened up for the of.

Huiman announced today that ficial start. Then driver Pat a radio transmitter and re-O'Connor was fatally injured ceiver in his pace car will in a 15-car pileup on the first keep him in touch with chief lap.

steward Harlan Fengler at This year, 33 cars will be lined up on the track in 11 the starting line.

Fengler, in turn, will be in rows before their engines are telephone communication is started.

John Thomas Withdraws From Boston University

Boston — (U) — John Thomas, the sensational 18-year-old high jumper who is recovering satisfactorily from a skin graft on his left foot, has withdrawn from Boston university until next fall when he also plans to resume competition. Thomas said Tuesday, he definitely is out of the National AAU meet June 19.

He caught his foot in an elevator door March 24. Thomas is walking on crutches in Massachusetts Memorial hospital.

"The doctor won't say when I can get out of here," he said, "so I've decided to withdraw from school and start draw again in the fall. I've missed too much to make up now."

County Legionnaires To Hear Milwaukee Service Officer

George Gilmore, Milwaukee, a Wisconsin department service officer, will speak at 6:30 p.m. dinner meeting tonight of the American Legion county council at Hor-

tonville. The county legion chairman will present a report on civic defense activities and members will hear a report on blood donor program. Officers will be elected.

FREE ADS FOR KIDS

DEADLINE—None the day previous to publication.

1. Ads accepted only from children between the ages of 6 and 16.

2. Ads must be placed personally by youngsters at either the Appleton or Twin Falls offices of the Post-Crescent. No ads will be mailed over the telephone or by mail.

3. Ads must be printed and must not exceed 25 words.

4. Youngster's name must appear in the ad, with either phone number or address.

5. Kids' column order blanks must be used, and are available at the Post-Crescent office or from last Friday, May 8th edition of the Post-Crescent.

6. Ads will be published up to eight consecutive days, or until May 20th, but boys and girls are requested to cancel their ads as soon as results are received.

7. All ads or notices advertised must be children's own. The Post-Crescent reserves the right to reject any ad it does not consider to be children's ads.

8. Each ad will be printed exactly as written. Parents are urged to let the kids write their own ads—don't worry about composition and spelling. Ads should express the child's own work and imagination.

TWIN CITY HOUSES

FOND CHILDHOOD MEMORIES

Exploring the attic on rainy days? Slumber parties? Tasty pulls? Back yard ball games? — What will YOUR children have to remember? Give them the security of a gracious home overlooking the river; a home with plenty of room inside and out for a large family and their friends to pursue the activities that each age enjoys. A home with the convenience of a modern kitchen and laundry, two full baths, two powder rooms, brick exterior... Surely this is a home your family will enjoy and remember for all their years.
